From Our Historian

Here we are starting 2022 and Covid is still with us. We are learning to not let it get in the way of having fun. Good for us !! I know I'm skipping to 1972 but thought I'd get the 10 yr. alignment going. I'll catch us up on the 1971's and so on later !!

In January 1972 Gary Bryant was the new President. The Ice kahana on the Lily Pond in the Amanas was canceled due to warm weather. Instead they set up a Kahana on the parking lot.

In January 1982 The Ice Kahna was once again canceled due to warm weather. Ron and Loretta Schlender were voted in as new members. They owned a 1978 Pace car. It was reported that there were only 6502 of them made. It was a 350 with full power.

In January of 1992 The statement was made by President Dave Naylor “ Seek And Ye Shall Find”, “What You See is What You Get”, Beauty is in The Eye Of The Beholder”

Then the question .. What do you look for in YOUR club ?? Be optimistic and bring out the best in you and your club was the answer !! On January 25th there was a Box Lunch Social hosted by Kathy and Orlyn Brunsson in their home. Each couple that attended was to fix a complete dinner for 2 [wine flowers and so on could be included]. There was no auction just numbers given then drawn and you could NOT get your own. It was a fun event just to get acquainted. It was reported that Jan and Paul h Hildebrand had a 25th anniversary in December and had gone to Jamacia in October to celebrate, Paul said he took some interesting pictures and would bring them to the meeting. How about bringing them again Paul !! There was a report on the fall leaf run planned by Paul and Jan Hildebrand. It included a trip to the Farm Toy Museum and lunch at Dougs Steak house. The group split up. Some went shopping and some continued down highway 18 West where they found a ZR1 convertible laying along the side of the road with a defective alternator, It belonged to club members Frank and Geri Kintzie who had left early to get to another appointment. They didn't make it !!! Next stop was Elkader where there was the busiest one hole restroom in the state !!

Carol and Virgil High had everyone to their home in Manchester for Beer and Brats to end the day. Terry Kocher reminded Frank that his offer still stood that he will trade even up his 1986 Corvette that made the entire trip for the ZR1 that didn't.

In Januaay of 2002 It was the start of the 39th year as a club. With 123 NCCC members CRCC is still the largest NCCC club in Iowa. Bob Bowen was the Regional Membership Director and thanked Diane for her help. He said he couldn't have done it without her !! I personally think he's correct ! The January meeting was at the Lighthouse and the dinner cruise was to Lonestar.

In January 2012 Guests at the January meeting were Dan and Barb Colby and Pat McElliot. Dan owns a 2006 red Corvette Convertable and Pat owns a 2005 White Corvette. John Baker purchased a 2010 white Corvette. It was reported there would be 2 honor flights in April.

In January 2022 We will have new officers on board and ready to go with a transition meeting for the E board on January 6th. Many thanks to CRCC member John Krob for playing his guitar and singing at the CRCC Christmas party.

Here's to a great 2022, Your Historian , Malinda
