From Our Historian

_Fall is here and homecomings are in full swing !It's the busy time of year and there will be a fall leaf run soon, we will be having a fall picnic and our cars are almost ready to be tucked away for the winter. Let's see what past Octobers have brought.

In October of 1972 Gary Bryant gave a report on the equipment committee meeting. The club needed to purchase 8 items, A timer, a battery and case, 2 tripods, Misc [clip boards, change boxes etc], footlocker for the timer, 2 helmets, towels and T shirts and 3 photo cells. A motion was made to purchase the equipment for no more than \$75.00 !!! Lowell Phelps asked the club to consider purchasing a bicycle for Mike Heffren our Soap Box Derby driver. He had earned the bike by selling the most buttons for the Soap Box Derby. He totaled his bike when he hit a car. It was decided each member could contribute what they wanted.

In October of 1982 Bob Bowen made a motion to spend \$150.00 on door prizes for the Christmas party.

Dave Reid reported the club drove in 11 homecomings. There is a reminder dues will

be due soon and
new officers will be elected.

In October of 1992 There was a gift exchange planned for the Christmas Party. Each person was to

bring a \$10.00 gift for the exchange game. From some of the photos in the photo albums this was enjoyed

by all ! Several club members went to the Karls Chevrolet autocross in Ankeny.

Susan Christian almost

lost control of Dave Naylor's car on one of the more difficult parts of the course. She slid within inches of

the Karls Chevrolet dumpster.

This happened with all CRCC members watching with VERY BIG EYES ! As Susan was getting

composed John Watertor in his always smiling demeanor commented that if you have to hit something

with a Corvette it might as well be a dumpster, that way you can just open the lid and throw in the broken

pieces.

In October of 2002 Homecoming Director Larry Beebe reported the club did 24 homecomings this year.

A record for the club. Di Neal made a motion to permanently give 50% of the homecoming money to

Camp Courageous. This motion will not need to be voted on every year, The motion passed. President

Chris Damewood spoke on the Marengo newspaper article about CRCC coming to town for the

September dinner cruise. There were pictures and an article about CRCC. Bob Bowen said he will not be

running for Governor again.

In October of 2012 Our President Mike Williams reminded us that our sun and fun Corvette summer

days were numbered. Mike didn't seem to care for trading his Corvette for a snow blower. The 50th

anniversary committee has some great plans for the CRCC's 2013 summer of celebration after receiving

budget approval from the membership. Hard to believe that CRCC would evolve into what it has today. It

all started with a small group of Corvette lovers who wanted to have fun and do some community service.

In October of 2020 The Pandemic is still a problem and finding a meeting place has been a challenge.

Dennis and Terry Primrose went to the Corvette Museum to pick up the old banner and stayed a few extra

days in Nashville.
