Welcome to the March edition of our club newsletter. First day of spring is only 20 days away. Time to get the corvettes ready for new adventures and road trips. I saw a C5 corvette on the streets last week in Cedar Rapids.

Now is a good time to start planning for our summer events. There has already been a car show this last weekend in Monticello, Ia. As more people get the covid-19 shot more people are willing to get out and do some fun things in life.

With the warmer weather coming, we will be posting a picture of the banner from the NCM. We will start the auction of the banner at that time. We already have a bid of \$110 and will be looking for a \$10 dollar increase with each bid. I will be working with Bob Bowen, our computer expert, on how this is going to be done by email. More details to come.

The club is still in need of a Vice President and Social Director. If anyone has an interest in doing one of these positions please let me know.
