Welcome to the May edition of our club newsletter. I hope this finds everyone healthy and avoiding the COVID-19 virus.

With all the cancellations and the social distancing in effect, it doesn't look like we will be having a meeting in May. I guess it will be a wait and see what the governor issues for Linn Co.

I know some of you are putting insurance on your cars as of May 1st so you can at least go for a drive. I have been driving mine since March 1st and it is nice just to go out for a drive. Several can go and talk on the CB's and visit, the only problem it has to be a short drive as there is no good place to use the restroom for the women.

Look at the second page for a little tidbit about which corvette generation sold the most corvettes.
