Welcome to the October edition of our club newsletter.

Well as the pandemic just keeps rolling along and so many things cancelled there is only one thing to do, go cruising.

Next week Terry and I will be going to the National Corvette Museum and will be picking up last year's banner. After that we will be off to Nashville for a few days. Going to visit Cooter's garage. Remember Cooter from the Dukes of Hazard?

After returning from our trip, I will be scheduling an E-Board meeting to try and figure out what we are going to be able to do for the rest of the year. Some of the things that come to mind are money for our charities, membership dues, election of officers, and our Christmas party. Anybody with ideas, please share with any board member.

Finding a place to hold an e-board meeting or club meeting is a challenge with having to keep social distancing.

Thanks to Janice for her hard work in trying to find places for our social activities.
