Welcome to the September edition of our club newsletter. Just as the pandemic isn't enough we had a derecho so instead of enjoying our corvettes we are enjoying our chainsaws.

There will not be a September meeting at McGrath's but have been talking with the E board about having a September meeting on a Saturday at some Park Pavilion. If any members have any thoughts on this please let me know. The E board has come to the conclusion that a picnic along with the meeting would not be a good idea. I will send out a notice when this has been decided on.

As per last newsletter the conversion of headlights from vacuum operated to electric operated was a very easy project. Nice not to have the headlights open up when starting the car and then closing after a minute or two.

Harold Wurst donated a 2 drawer filing cabinet to the club for our Historian to use. Also our trailer is nicely secured in Harold's shed. I drove by where we used to store the trailer and a few of them got damaged in the storm.

Thanks to Janice for setting up a week night dinner out and a weekend dinner out or just a cruise which ever you prefer to do.

Next meeting date to be announced.
