

Eaglequest Golf Centre

1001 United Blvd. Coquitlam, BC 604-523-6400

Greetings Ladies:

I hope you have enjoyed the second half of the ladies league golf season. The following questions relate to the pictures on the upper right side of your **game of the week** PDFs you've been receiving. Complete the answers and enter to win prizes. **Note** → contest is now complete and the winners are at <https://driveforsuccess.ca/ladies-league>. See week 25.

Rob Boyle

	Picture & question of the week	Your answer	Info about the picture
13	 What bird is this? Clue → It's Washington's state bird ♥.		The American Goldfinch is a bird with remarkable yellow plumage. It is found in all types of environments in North America. It is also Washington's state bird since 1951.
14	 Who is this? She is married to the GOAT of golf.		Barbara Nicklaus is the wife of Jack Nicklaus. Barbara and Jack had their 64th wedding anniversary in 2024.
15	What is this bird and what made him famous? 		Woody Woodpecker is the official mascot of Universal Pictures. He was created in 1940 by the Walter Lantz studio. Woodpeckers are found almost everywhere in North America.
16	 Who is this and why is she famous?		That's the first lady golfer, Mary Queen of Scots who ruled Scotland from 1542 to 1567. Just days after her husband Lord Darnley was murdered, Mary was seen practicing her golf swing at a local course. Did she love him or the game of golf?
17	 What is this bird and where is this printed?		We love Canada Geese , don't we? Well, perhaps not so much on the golf course but it really is a majestic bird. The goose used to be highlighted on the \$100 bill but not anymore.
18	  Beth Daniel & Amy Yang both set a record birding how many holes in a row?		Beth Daniel and Amy Yang each have scored nine birdies in a row in a tournament setting. Wow, if they were playing in our ladies league, they'd have a great chance of capturing the birdie board prize at our season-ending banquet.

19	What bird am I? 		The Turkey is a large bird native to North America. Contrary to popular belief, they do fly although not that well. They are highly intelligent and have playful personalities. North Americans tend to eat turkey during holidays like Thanksgiving and Christmas.
20	 One of the more famous tournaments is played in this city every April.		Augusta, Georgia: The Masters Golf Championship is played at the beginning of April every year. It really gets golfers excited to start the season ♥.
21	What prehistoric creature is this? 		Pterosaur: This extinct bird is actually a flying reptile. It existed in the Mesozoic era of Earth's existence. That's between 66 and 245 million years ago. I'm sure it was tough to golf back then for fear of being attacked on the course.
22	Who is this man? 		Bill Murray: Bill Murray is a movie star, a comedian and a golf celebrity. He actor. He has played in dozens of movies including the 1980 golf movie, <i>Caddy Shack</i>.
23	 What beautiful bird is this? Clue → It's all about the colors		This week's bird is a beautiful black bird with red wings. It breeds in marshy areas and wet fields. Its name is the Red-winged Black Bird. How on earth did they come up with that name?
24	How many rules are there in golf? 		24 rules: There are 24 official rules of golf. 25 ok. It's always advisable to buy a rule book and read it as one can learn much about the game. Here's a link to an on-line version.
