## **Westwood Plateau Golf Courses, Coquitlam, BC**

The Westwood Plateau Executive Golf Course has donated two tickets to use their simulator room. It's enclosed for protection of weather. You can play golf games and practice your swing. You can order food too. The room can accommodate up to 6 people. By the way, the two courses at Westwood Plateau (Executive course and the full-length course) are awesome. ## **AlmostGolf practice balls**

AlmostGolf practice balls are amazing. They are made of soft foam technology. They fly 1/3 to 1/2 the distance of a normal golf ball plus they are soft. This means you can practice in your back yard and not worry about damaging your house with an errant shot or hurting a pet. I have used them for my ladies league long driving contest. Check out my YouTube channel to see a fun YouTube video coming soon. Also you may click on [this link](#) to learn more about the AlmostGolf practice ball.
