- Applications will be short-listed based on the evidence to support the need for a project/activity that will have a positive effect on the community. We want to hear from those who want to make a real difference - helping to make the Elthorne Pride area an even better place to live and work.
- All individuals/groups must complete the application form, which includes a proposed budget and expected outcomes as part of their application. Where applications are successful, Elthorne Pride will contact the selected applicants.
- Where an application is submitted and where the information provided does not satisfy these selection criteria, the Elthorne Pride Team will notify the applicant as soon as possible, so that the necessary amendments can be made.
