

Reston & District Library Rules

- Please do not enter if you are feeling unwell or have flu-like symptoms. Or you have traveled outside of Manitoba in the last 14 days.
- Hand sanitizer to be use upon entering.
- Social distancing rules are in place.
- Library visits are to be as brief as possible.
- Limit of 4 people admitted at one time.
- Children under 12 must be accompanied by a parent or caregiver. This can be up to 4 people providing there are not other patrons at that time.
- Please place returning books in tied plastic bags and placed on cart or in book drop.
- Returned books will be disinfected after two days and then left on another shelf for two more days before being shelved.
- The Library will be sanitized regularly through the day.
- Please use designated X spot to sign out books
- No Public access computers at this time.
- Photocopying and printing can be done by staff for .50 cents per page. Call or email and staff can help you

Thank you everyone for your cooperation.

TD Summer Reading Club program for 2020.

We want to thank all the kids who took part in our 2020 TD Summer Reading Club Program.

This year we had a small but enthusiastic group of kids aged 0 – 13 register for the program.

The kids got to take home a Book-o-poly game to play through the summer as well as other activities to do at home.

We finished the third week of August. Each participant got a coupon for an ice cream cone from Reston Clubhouse and some stickers.

Low Contact Service

We still offer low contact services for patrons.

Patrons can call or email the staff and we can put the books together for them. We can then call or email when they are ready for pickup.

Patrons can pick books up at the door or come in and pick them up.
