Successful TD Summer Reading Club.

The Reston & District library hosted a successful TD Summer Reading Club program this summer.

We had 86 kids sign up for the in-library activity program. We invited kids from Reston & surrounding communities to come take part in reading, prize draws and fun weekly craft activities. Kids who popped in occasionally could do crafts then, or take craft supplies to complete at home.

The PAREC Day Camp kids and staff as well as the Reston Early Learning Center Day care kids and staff attended weekly to do a weekly craft and listen to stories. They got to sign out books to take back to Day camp or Day care.

We had our TD Summer Reading Club wind-up the week of August 23 – 25. The book prize draws were made August 26th. Eight lucky kids got to take home their book prize. We would like to thank all the kids who came in, the PAREC Day Camp, and Reston Early Learning Day care kids and staff for coming in.
