

Kid's Paint Your Own Pottery Birthday Party

(ages 4-12)

PYOP Parties start at \$200 for up to 10 painters. Additional painters just \$12 per person. Each child will select their own special piece to paint from the designated party pieces. Package includes two hours in our cute party room (We call it the Party Porch!) We decorate with balloons and write a special message to the birthday child on our huge blackboard. A party helper will be provided by Piddlin' Pottery Studio during the first part of your party to direct each child. The second hour will be yours to serve any snacks or cake. Table covers, napkins, plates and ice are provided. You will need to bring your own food and drinks. (At this time, you will have to book your party during times we do not have walk-ins. This means you will have the whole shop to yourself!)

* \$100 deposit needed to hold you spot (refundable only if notified 2 weeks in advance)
