

# Membership Benefits

Home > Membership > Membership Benefits

As a member of the *National Association of Federal Education Program Administrators* (NAFEPA) the following benefits are available through the NAFEPA organization and/or NAFEPA partners.

- On the first Wednesday of each month, the NAFEPA Connection newsletter written by national policy experts David Deschryver and Doug Mesecar is provided to all members. It contains 3-4 short articles focused on federal education grant administration issues, the implementation of ESSA, as well as other national policy trends and relevant federal regulatory and funding updates
- On the third Wednesday of each month, a short NAFEPA Connection video featuring David and Doug is provided to all members discussing federal and national education topics. The videos are less than 10 minutes in length Access to the NAFEPA Members Only section of the webpage and the resources posted there
- An annual NAFEPA conference held in Washington DC each spring featuring presenters and exhibitors focused on the efforts of those who administer and manage federal education programs.
- Opportunities for scholarships for NAFEPA member's district students.
- Opportunities for state and national leadership recognition.

## Whiteboard Advisors

- Firm consulting services are available to NAFEPA members at a discounted hourly rate through a separate consulting agreement with Whiteboard.

## Brustein and Manasevit, PLLC

- Speaking engagement services to state affiliates of NAFEPA at a discounted rate, to be negotiated between Brustein & Manasevit and the state affiliates directly, depending on individual state requests.

NAFEPA is proud to be a partner with the groups listed above and has provided direct links to them.

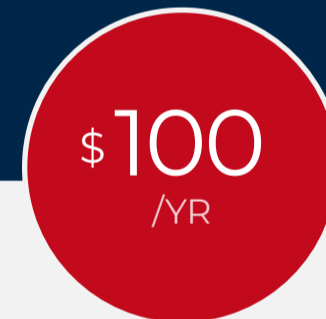

## NAFEPA Membership
