

## **2026-27 NAFEPA / MAASFEP Membership**

### **Membership Benefits:**

As a member of the National Association of Federal Education Program Administrators (NAFEPA) the following benefits are available through the NAFEPA organization and/or NAFEPA partners.

On the first Wednesday of each month, the **NAFEPA Connection** newsletter written by national policy experts David Deschryver and Doug Mesecar is provided to all members. It contains 3-4 short articles focused on federal education grant administration issues, the implementation of ESSA, as well as other national policy trends and relevant federal regulatory and funding updates.

On the third Wednesday of each month, a short **NAFEPA Connection** video featuring David and Doug is sent to all members discussing federal and national education topics. The videos are less than 10 minutes in length. Access is also available via the NAFEPA Members Only section on our webpage and the videos are posted there.

An annual NAFEPA conference is held in Washington DC each spring featuring presenters and exhibitors focusing on the efforts of those who administer and manage federal education programs. Special membership rate.

Opportunities for scholarships for NAFEPA member's district students.

NAFEPA sponsored State Leadership Award recognition opportunities for NAFEPA members.

### **Brustein and Manasevit, PLLC**

Speaking engagement services to state affiliates of NAFEPA at a discounted rate, to be negotiated between Brustein & Manasevit and the state affiliates directly, depending on individual state requests.

### **NAFEPA Membership**

Begin/Renew your NAFEPA subscription today and gain access to a network of federal education professionals and up-to-the-minute information on federal legislation and issues.
