

PRIMETIME GRILLE

Kansas Cuisine

PrimeTime Grille was opened in 2020 by a group of community members seeking to elevate Ottawa. Thank you for supporting our local business!

What is Kansas Cuisine?

Kansas Cuisine isn't a certain food item, or even a certain type of food. When we say "Kansas Cuisine," we are referring to what goes into food to make it a meal - to make it an event. It's about wholesome ingredients, chosen for quality. It's about locally-sourced foods whenever possible. It's about preparing food with an emphasis on quality and flavor. It's about generous portions and fair prices. It's about a business established to serve a community and a region. It's about hearkening back to a different time, when a meal was more than just food. And it's about gathering around the table, with friends and family, to share a meal, and to share so much more. Kansas Cuisine is about bringing back the family meal, from our family to yours.
