

Become a Socialite in 2024!

Become part of a collective and keep your marketing and social media on track all year!

As a Socialite you'll have access to regular advice from the Los Marketing team, and have the opportunity to discuss your challenges, ideas and get advice from those who know you best. It's a focused slice of time dedicated to helping your business grow.

What is it?

A quarterly meet-up for business owners led by Emma from Los Marketing, which allows everyone to have a contribution. Emma will choose a theme decided by the team, and present some information each month. We'll then spend a majority of the session exploring individual challenges and offering advice.

Why?

We know not everyone has the time, budget or need for a monthly marketing manager. This session enables you to have your questions answered by an expert and take away actionable advice for a fraction of the cost.

Where?

10.30-11.45 at the Holiday Inn Southend, prior to the WIBN sessions: January 17th, April 17th, July 17th and October 16th.
