2022 NYFAB SUPER BOWL MAIN-IN TOURNAMENT
FEBRUARY 7 THRU FEBRUARY 13, 2022
RULES AND REGULATIONS

1. A "NYFAB Indoor 450 Round" will be shot. The round shall consist of 45 arrows, shot as three games, at a distance of 20 yards. Each game shall consist of 5 ends of 3 arrows per end. There will be 2 practice ends.
2. The target shall be either the "Vegas 3-spot" face or the "40 cm. Vegas" face.
3. Entrants may choose to shoot either the 40 cm. single-spot target or the 3-spot target. Competitors must use the same target face throughout the round.
4. Cubs will shoot at 10 yards.
5. No official time limit.
- 6.. Equipment failure: An official should be summoned to handle the situation. The archer will have 15 minutes repair time without holding up the tournament. The archer shall be allowed to shoot any arrows missed during the 15 minutes. One practice end will be allowed. All make-up arrows will be shot at the end of the round.
9. All shooters will straddle the shooting line in a reasonably even fashion.
10. Upon completion of each end, please step away from the shooting line exercising courtesy to the shooters on both sides of you.
12. Any arrow propelled beyond a 10-foot foul line is considered a shot arrow.
13. You remain on the same target throughout the entire round. No switching from top to bottom. Bottom targets shoot first.
14. Witnessed bounce outs and pass through in the scoring area will be re-shot. Summon an official to handle the situation. Arrows hanging from the front or rear of the target butt must be handled by a tournament official. Do not touch the arrow!
15. No arrow may be touched prior to the completion of scoring all arrows in the butt.
16. No alcoholic beverages (or use of nonprescription, mood altering drugs) are allowed while participating in the tournament. Violators will be automatically disqualified.
17. Any abusive language will not be tolerated and will result in an automatic disqualification from the tournament.
19. Single spot face scoring: X-10-9-8-7-6-5-4-3-2-1-0. 3-spot face scoring: X-10-9-8-7-6-0. X's for each end will be recorded for tie breaking purposes. An arrow shaft needs only to touch the line to be counted in the area of next higher value.
20. Each group will elect a target captain who will call the scores of all arrows on their target butt. Any discrepancies or questionable arrows must be handled by an official.
21. Each group will decide which 2 shooters will keep score. Be certain all boxes are filled in on the score card. Alterations on score cards are to be made by drawing a line through the wrong number and entering the correct number alongside.
22. Upon completion of the round, all score cards are to be signed by both scorekeepers along with the shooter, (i.e.: three signatures are required on the bottom of the card).
23. All tie scores will be broken by total X count, if still tied, duplicate awards will be given.
25. NFAA flight system will be used with a maximum of 10 archers per flight.
26. **If an archer shoots more than the prescribed number of arrows in an end, the excess arrow or arrows of higher value will not be scored. A penalty of one scoring ring (1 point and X if applicable) will be assessed for each arrow shot over the prescribed number of arrows.**
27. **An archer may shoot the 3-spot target in any order, and shoot as many arrows into any spot as the archer desires, not to exceed the prescribed number of arrows per end.**
28. Lighted nocks are NOT allowed.
29. Any additions to these rules will be determined by the rules committee consisting of: NYFAB President, 1st V.P., and NFAA Director.
