

2024 NYFAB Outdoor Triple Crown Host Club Information

Below is a list of Host Club & NYFAB responsibilities for the event.

Host Club must:

- Collect all registration forms and fees, and organize all shooting groups
- Collect all score cards and determine all winners
 - X's break all ties. If tied based on x's, then those archers will share the placement
- Supply at least 1 adult to supervise each Cub shooting group
- Distribute all awards (medals)
 - Awards should be given out the day of the event. If archers are not on site, you are responsible for getting them their award in a timely manner.
- Enter all scores into the provided excel sheet, and email back to NYFAB tournament director within 1 week: **sjbrenzel@gmail.com**
 - Attached you will find an excel spreadsheet, you **MUST** enter all of your archers scores here
 - The first tab of this spreadsheet named "Cover Sheet" is extremely important, this page automatically calculates the fee you owe to NYFAB. On this sheet you **ONLY** fill in the **YELLOW** cells, everything else is locked.
 - All other tabs are labeled based on age divisions; this is where you need to enter all archers' scores. If an Archer DNF's, put a "0" for their score.
- Physical score cards and registration forms **DO NOT** need to be mailed back to NYFAB, but please keep them for 1 month after the shoot in case there are any discrepancies.
- As soon as possible, please mail **ONE** check (Fees due to NYFAB) made out to "NYFAB" to:

 - Medium face: 15, 18, 20, 20
 - Large Face: 20, 25, 30

Your club has the option to shoot this round on an already established field archery course (just omit the; Foot Shot, 15yd, 45yd walk up, and 80yd), or you may use your practice range and stagger targets or shooting positions appropriately. Distances do not need to be shot in any particular order.

You should have received a full set of paper targets from us for your shoot. It is recommended that the paper targets be backed with cardboard so they do not get shot out.

- Number of Medals Awarded per class
 - 1-3 Shooters = 1 medal
 - 4-6 Shooters = 2 medals
 - 7+ Shooters = 3 medals

PLEASE feel free to ask me any questions related to the tournament.

Thank you,
