PROPOSED CHANGE: (Write the exact change you are asking to make)

Article 3 - Fiscal Year

Current - The fiscal year of this Association shall be April first through March thirty-first

Change - The fiscal year of this Association shall be January first through December thirty-first

RATIONALE: (Describe briefly existing problem and expected benefit of proposed change)

The current fiscal year overlaps two tax years. Therefore, two separate budgets sheets need to be prepared; one for the NYFAB fiscal year and a second for federal tax submissions. Federal tax is submitted on an annual basis from January 1 to December 31. For simplicity and to ensure accuracy, it is recommended to follow an annual tax year. All current tournaments would still be included within an entire year. However, the "order" in which they are reported would change.

Current (starting April 1) - Outdoor States, Funanza, Indoor States

New (starting January 1) - Indoor States, Outdoor States, Funanza.

Ending the budget year in December will also provide adequate time to complete tax documents and submission. Where as the prior only allows for only 30 days between last tournament and tax filing.

PROPOSED CHANGE: (Write the exact change you are asking to make)

Constitution - Article VIII - Elections and Terms of Office

Current: A. Terms of NYFAB Officers shall coincide with the fiscal year of the Association.

Proposed: A. Terms of NYFAB Officers shall begin April 1, for a 2 year term

RATIONALE: (Describe briefly existing problem and expected benefit of proposed change)

To reword the constitution with a fiscal year change to 1/1-12/31, this April 1 date keep the election cycle in line with what has been done in previous years.
