

Two Bedroom
1,140 Sq. Ft.

This two bedroom apartment home offers the flexibility of having a guest room, additional space for an office, home theater, hobby room, or whatever you imagine.

The dedicated dinning space and light offered by extra large windows offer an ambiance that would be difficult to duplicate

The walk-in closet in the master suite is large enough to hold all your clothes and the bedroom big enough for your king size bed. A choice of a walk-in shower or a soaker tub means you live your life your way.

You will be assured peace and quiet due to Colony Park's unique double wall construction. Our apartment homes are extra quiet!
