Welcome Message

Thank you for choosing The Village at Houser's Crossing!

Hello and welcome! I'm so happy you're here. As you open this Adventure, Eat, & Relax Guide, I want you to know how truly special it is to welcome you to The Village at Houser's Crossing. In 2026, we proudly celebrate **our 5th year in business;** what an incredible journey it has been!

What was once an unlivable Anthracite & Railroad Patch Town has been thoughtfully transformed into an **Anthracite Cultural Heritage Landmark,** a place where history is preserved, stories are honored, and guests can slow down and truly connect. Along the way, The Village at Houser's Crossing became **a designated Flag Stop on the Reading Blue Mountain & Northern Railroad,** complete with our very own passenger station, **providing train service directly to Historic Jim Thorpe.**

We have carefully **restored four historic homes and a garage**, and made many improvements to the grounds and amenities throughout our **ten-acre Village**, always with respect for the land and its rich past.

This guide was created to help you explore everything our beautiful surrounding area has to offer. Whether your idea of the perfect getaway includes adventure, amazing food, scenic train rides, quiet moments in nature, or simply doing nothing at all—you're in the right place. Do as much or as little as you want.

Please know, I'm always here for you. If you have any questions or need help planning your trip—what to do, see, or eat—reach out. I'm more than happy to help you plan your **perfect getaway** here at The Village.

We would also love your support! Tag us in your social media posts during your stay, leave a Google review (we are grateful for more than 70 five-star reviews!), and **refer us to friends and family**. Every little bit helps us continue to make The Village special for all our guests.

And don't forget to follow us on **Facebook, Instagram, and TikTok** to stay up-to-date on all that's happening at The Village and in the surrounding area.

My hope is that during your stay you feel not just welcomed, **but truly at home**.

Warmly,

Carolee, Owner
The Village at Houser's Crossing

All aboard to Jim Thorpe

From America's First Flag Stop

Houser's Crossing to Pennsylvania's Most Charming Small Town

Skip the traffic and parking worries and begin your Jim Thorpe adventure the old-fashioned way—by train. Arrive at our private passenger station at Houser's Crossing and enjoy the anticipation as the train approaches. Once aboard the Reading Blue Mountain & Northern Railroad, your journey will unfold at an easy pace. You'll pass through the Tamaqua tunnel, roll high above the landscape on the iconic Hometown High Bridge and take in sweeping views of beautiful Lake Hauto—all before arriving in historic Jim Thorpe**. The train ride is approximately 50 minutes, with departures typically at 10:00 a.m. and returns at 5:00 p.m.,** allowing plenty of time to explore the town's shops, restaurants, and historic charm. Guests may ride the train on the day of check-in and the day of check-out. On both days, **guests are asked to park their cars by the passenger station and, on the day of check-out, complete check-out from their accommodations prior to boarding.**

Train Ride Details & Boarding Instructions

OPERATING SCHEDULE:

Train service to Jim Thorpe is primarily offered on weekends and select holidays, including Martin Luther King, Jr. Day, President's Day, St. Patrick's Day, Memorial Day, Independence Day, and Labor Day. Train schedules and times are subject to change at the railroad's discretion.

TICKETING PROCESS:

To ensure a smooth and worry-free journey, guests are required to purchase train tickets in advance. Ordering early is highly recommended, as trains—especially during peak times and holiday weekends—often sell out.

There are two types of train tickets available to purchase:

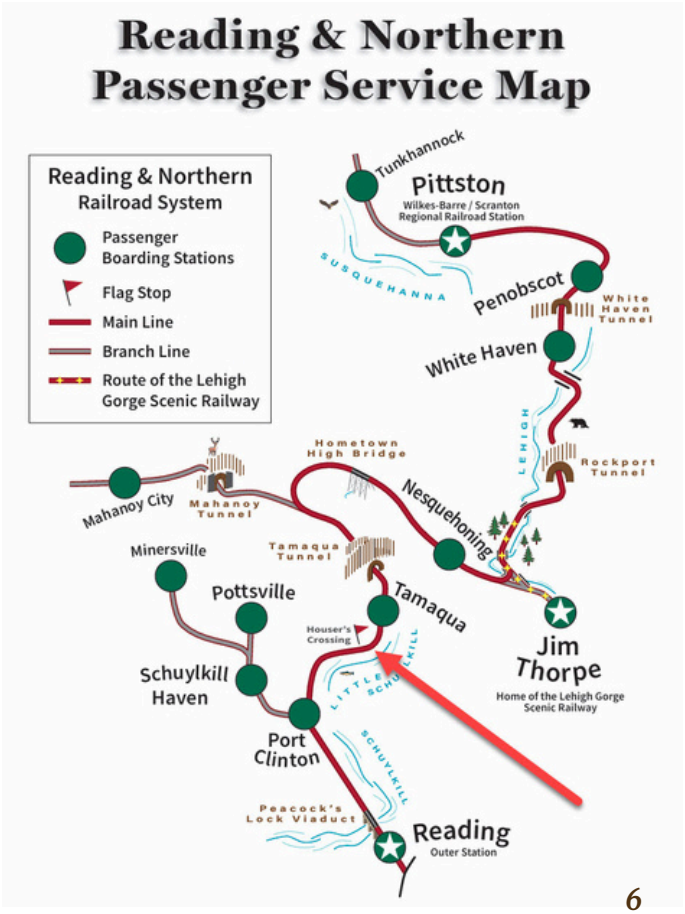

1. **Roundtrip Tickets from Houser's Crossing to Jim Thorpe** – This allows you to enjoy the scenic 50-minute journey to historic Jim Thorpe and back. When you purchase a roundtrip ticket, you also have the option to purchase a deeply discounted ticket for The Lehigh Gorge Scenic Railway.
2. **Lehigh Gorge Scenic Railway Train Ride** – Departs from the Jim Thorpe Train Station at 1:00 p.m. and travels into the stunning Lehigh Gorge State Park. The ride is 70 minutes. During peak Fall Foliage Season, the ride is 45 minutes, and our guests enjoy an exclusive perk: the ability to pre-purchase Lehigh Gorge tickets. This means no waiting in long lines to secure these prized train tickets.

When you board at Houser's Crossing, you will receive your roundtrip train tickets and, if purchased, your Lehigh Gorge Scenic Railway tickets, making your entire day of rail adventures simple and convenient.

HOW TO PURCHASE TICKETS

Tickets can be purchased on our website (HousersCrossing.com) during the online reservation process. After selecting your overnight accommodations, you'll have the option to "add on" train tickets available during your stay. Alternatively, you may arrange tickets directly with Owner Carolee, who is happy to assist you in planning a seamless and memorable train experience.
