

Zimmerman Girls Thunder Soccer

Corporate Sponsorship Information 2026

The Club's mission is to help raise the funds necessary to provide the girls coaches and players with the resources needed to be competitive within the Mississippi 8 Conference. The Club accomplishes these goals through the continued support of our community, parents, friends and relatives of Thunder players and coaches. In addition to financial assistance, the club also serves to plan and create empowering team bonding events, game day meals, senior recognitions, staff support, relationships with the school and school district, and serve as a conduit of information for existing and potential student athletes.

Our team strives to foster team cohesiveness that represent our families, community, school, and selves. We present a unified culture bringing together the efforts of girls to promote our mission: Improving lifelong learning through athletics.

We appreciate all you do in the Zimmerman community and would love for you to show your Zimmerman Thunder pride by sponsoring us into a winning season. Your business sponsorship will assist our team and players with a variety of items throughout the season such as equipment needs, hardship scholarships, technology costs, practice jerseys, additional assistant coaches, and much more.
