

Planning

PSED will remain a focus over the next fortnight. We will continue to support children with settling in, getting used to new routines and making friends.

Week Commencing 28.09.20

Theme: Starting to talk about Autumn

We will be sending home a letter to parents asking children to go out on an Autumn Walk to collect items to bring back to Pre School and share with their friends (eg, Leaves, Conkers). During circle time we will share our findings talking about the change in colours and textures etc.

Group Activity:

Playing listening games, recognising different environmental sounds.

Group games outside – supporting PSED

Craft:

Create hedgehog pictures using the leaves we have collected as the hedgehog spikes.

To support PSED we have been sharing news during circle time, taking it in turns to talk about what we have been doing at home.
