About Us

Jeeps & Trucks of New England Inc. was established on March 28, 2024, by our founders and current directors, Timothy Sylvia-Smith and Michael Carreau. In the initial weeks, our organization concentrated on cultivating relationships within the community and expanding our network to advance our mission and objectives. With the support of the 4x4 community and local businesses and organizations, we have achieved significant growth, reaching new milestones and hosting larger events than we had anticipated. Due to the dedication of our board members and club members, we are fully incorporated and a 501(c)(3) nonprofit organization based in the state of Massachusetts.
