

Player and Parent Commitment - '18/'19

The success of the Delaware Magic Softball program depends upon the commitment of each player and her family. Delaware Magic expects a commitment on the part of each player to work hard, to be a supportive teammate, and to set a high standard of sportsmanship and the commitment of her family to be supportive of that effort. The player and her family are expected to be supportive of the team, respectful of the managers, coaches, the umpires, and the opposing team. Delaware Magic prides itself with the recruiting, training, and retention of quality coaches, and your participation in the program affirms an acceptance of the Magic coaching means and methods.

Each player is expected to remit to Delaware Magic a Commitment Fee of \$400, in two installments. Commitment fee is due as follows: \$200, along with this form, upon accepting position on team, and \$200 no later than September 30. Please see the dues and payment information in player handbook for balance due dates.

Team budgets account for all expenses including uniforms, equipment, practice facilities, tournaments, and administrative expenses. Additional events such as special clinics are not covered as part of the annual dues. Please contact one of the Delaware Magic Officers if other arrangements need to be considered. This is for the girls, let's keep them playing. Delaware Magic has many organized fundraisers and the players and families are strongly encouraged to participate.

Checks are to be made payable to "Delaware Magic" and sent to:

Delaware Magic
P.O. Box 7024
Newark, DE 19714

We ask that player(s) and their parents sign below indicating that they have read and understand the purpose and importance of their commitment to Delaware Magic Girls Fastpitch Softball.

Player _____

Parents _____

Date _____

Please return this form to your coach, team rep, or mail it to:

Delaware Magic
P.O. Box 7024
