THE MONTH OF THE ROSARY & RESPECT LIFE MONTH

PRINCE OF PEACE | PRINCEOFPEACEKEARNEY.COM

The month of October is dedicated to the Holy Rosary because the Church celebrates the Feast of Our Lady of the Rosary on October 7, a feast established after the 1571 Battle of Lepanto and later reinforced by Pope Leo XIII's 19th-century encyclicals promoting daily rosary prayer throughout October. On October 7, 1571, Christian forces won the battle after Pope St. Pius V asked Catholics to pray the rosary for victory. The triumph was attributed to Mary's intercession, leading to the establishment of the feast of Our Lady of Victory, later renamed Our Lady of the Rosary.

October falls during the liturgical season known as Ordinary Time, which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. This month the main liturgical feasts are St. Thérèse (October 1), Guardian Angels (October 2), St. Faustina (October 5), St. Bruno (October 6), Our Lady of the Rosary (October 7), St. Callistus I (October 14), St. Teresa of Jesus (October 15), St. Hedwig and St. Margaret Mary (October 16), St. Ignatius of Antioch (October 17), St. Isaac Jogues, St. John de Brébeuf and Companions (October 19), St. Paul of the Cross (October 20), St. John Paul II (October 22), St. Anthony Mary Claret (October 24) and Sts. Simon and Jude (October 28) The feasts of St. Francis of Assisi (October 4), St. John XXIII (October 11) and St. Luke (October 18) are superseded by the Sunday liturgy. As a Catholic, this month should not pass you in vain, it is a month dedicated to Our Lady. The best gift, as I always say, is to pray the rosary, but in a special way during this month each Catholic should try to pray the daily rosary because there are many graces attached to it.

The rosary is a simple, powerful way to pray with scripture through the eyes of Mary. As you move bead by bead, you repeat familiar prayers while meditating on the life of Jesus—His Incarnation, His public ministry, His Passion, and His glory.

There are simple ways on how you can pray the rosary:

1. Individual: you can choose to pray your personal rosary, at home, walking or at the place of work, or you can choose to drive to any church near you and pray the rosary.
2. As a family: Involve your family in praying the rosary, let your children learn from you, if you choose, you can to have a daily calendar and assignment for each other.
3. Community: October usually is an enjoyable time of the year in the United States. The autumn season manifests itself with wonderful fall foliage in many parts of the country. The temperatures are cooler, inviting people outdoors for nature walks, apple or pumpkin picking. This would be a good time to build our communities so that they gather and pray together. People gather for meals and parties. Next time you gather with friends or family, consider praying the rosary first, and socializing second.
4. Visit someone and pray with him or her. It would be good to visit the elderly and pray with them. Chose to add on someone's spirituality
5. Church: you can join or support any church movement, you can choose to join the Legion of Mary anywhere, at Prince of Peace we meet every Thursday at 7 to pray the rosary together.
6. Go early before Mass and pray your rosary. There are many benefits attached to praying the Holy Rosary.
7. Avail yourself with tools about Mary, have a statue of Mary, learn to walk with your rosary, reflect about Mary the mother of God.

Respect Life Month, is celebrated each October in the United States to honor and protect human life at all stages. It is observed annually in October, with the first Sunday designated as Respect Life Sunday. The observance was established to encourage Catholics and communities to reflect on the value of human life and to promote a culture that cherishes and protects life. It has been celebrated since 1973 and is coordinated by the U.S. Conference of Catholic Bishops (USCCB) Secretariat of Pro-Life Activities this year we meditate on Mary as "Mary, Mother of Life".

Mary's Journey - Theotokos

Mary's Pregnancy in weeks 28-30.

This week starts Mary's third trimester. During this time, Baby has more neurons than he will ever have again, over 100 billion. He may grow to about four pounds and 16 inches long by 30 weeks.

He will begin to smell through odor molecules in the amniotic fluid. He is sleeping about 65% of the time and may even be dreaming during REM cycles.

Mary may experience nose bleeds, backaches, sciatica and darkened skin called melasma. Most discolorations fade a few months after giving birth. Trying a heating pad, warm bath, supportive pillow or stretching may help with pain.
