Frequently Asked Questions

- **Will we get more parking spots? When?**
We have 200 new spots in the plan, and will begin construction in early 2022.
- **We do a great job with children and youth formation. Will the new facilities have additional spaces for adult formation?**
Yes! The Facilities Planning Committee made that a priority. The lower level, the new gathering space, the new hall and the new space below the hall will all have adult meeting spaces.
- **Will the covered drop off only serve the new parish hall?**
No. The entry will be between the new gathering space and the new hall. This will be great for inclement weather.
- **Why Now?**
We have a need (our facilities are being stretched) and our parish now has strength and momentum. It is tough to expand when times are tough; right now our parish is flourishing, so it is time to act.
- **What happens if we don't?**
We will hit a plateau. Visitors are turned off if they cannot find a parking spot, or if they cannot connect with other members. We are here to serve others; these improvements will clearly help others as well as our parishioners.
- **How much will I be asked to give?**
Please prayerfully consider giving 3% of your income each year for the next three years or a one-time gift of 3% of your assets.

Prayer and Discernment from Fr. Paul

Discernment is basically a life decision, set in the context of prayer. As you approach your life decisions I would hope that you reflect on these scriptures.

Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect. Romans 12:2
