Volunteers are Needed for SpringFest!

SpringFest is 2 weeks away and we are needing people to help setup/cleanup, help cook, wash dishes and much more. You can use the sign up genius (found on the parish website), sign up on the posters near the entrance of the church, or turn in your volunteer form to the office. We truly appreciate all of the help and hope to make this our best SpringFest yet!

Hearing Loop for Hearing Aid Users

What is a Hearing Loop?

(If you have hearing loss but do not have a hearing aid or if your hearing aid does not have a working telecoil setting to access the hearing loop, there are individual receivers available.)

What is a hearing loop and how does it work?

Hearing Loops allow people with hearing aids or cochlear implants to receive the sound from the PA system directly in their own hearing aids without having to pick up a separate listening device.

Do you use hearing aids?

You need to find out if your hearing aids have a wireless receiver called a T-coil or Telecoil built in, in order to use the hearing loop. The T-coil is accessed by pushing a button on a hearing aid. This T-coil program has to be activated by your audiologist. Talk to your audiologist to find out if your instruments can have both a T (no background noise) and an MT program (blended micro-phone & Tcoil program) for improved hearing. If you get a telecoil installed in your current hearing instrument, make sure it has a manual, not an automatic, setting.

Hearing loops improve hearing aids!

Digital hearing aids have significantly improved in the last decade, but they do not restore hearing to normal. Difficulties often remain when in challenging listening situations. Hearing loops help hearing aid users overcome this problem by broadcasting sound without background noise or reverberation. For questions about your hearing aids and telecoils talk to your audiologist To learn more about hearing loops visit:

www.hearingloop.org or
www.hasloops.com

Pastor's Notes

© J. S. Falshch Co., Inc.

This is the third Sunday of Lent. Many of you have been participating in our Lenten Offerings. If you would like to know more about prayer, stop by on Monday evenings at 7 pm. Kathy White and a small group are exploring different methods of prayer.

Unfortunately, divorce is a reality of our day and age. Many divorced people do not feel welcomed in the church. We want to walk with our brothers and sisters in Christ through this difficult journey. The church offers the opportunity for those who are divorced to apply for an annulment. There are many misunderstandings about an annulment. Whether you are divorced or not please consider attending the Annulment Workshop March 22nd.

Next Sunday is *Laetare* Sunday which always falls on the fourth Sunday of Lent. This Sunday has been a day of celebration within the austere period of Lent. It gets its name from the Latin Isaiah 66:10 "*Laetare* Jerusalem, or "Rejoice O Jerusalem". It is an option for the priest to wear rose vestments rather than violet or purple. Matthew and Abbie Wecker donated the funds for a rose vestment and this year it will be used. Thank you Matthew and Abbie!

Springfest will soon be here! It is a great community builder for our parish and assists us in making our budget. As advertised it is our largest fundraiser of the year. So many of you have been selling raffle tickets, donating items, and volunteering. Please consider helping in some way.

The Catholic Community of Kearney communal reconciliation service will be held on Sunday, April 3 at 3 pm at Prince of Peace.
