**The First Annual 4P
(Prince of Peace Prairie Project)
Summer Science Enrichment Camp**

This summer camp was made possible in part by a generous donation from the Ward Family and held on the Prince of Peace Grounds.

Some activities that took place during this camp:

◇ They looked into the scientific method using M&Ms - a delicious learning experience.

◇ They looked at Prince of Peace soil composition using their senses and investigated with sight, touch, and smell.

◇ At KCHS, they got to use a special type of microscope for looking at specimens collected in the field called a Specimen Scope. They got to see the soil components and what lived in it up close and in detail.

◇ The campers were able to make their own shirts by using the pigments from flowers donated by Diva's Floral.

And much more!

Plans are already underway for next year's camp, so if you missed out this year join us June 20 - 24th of 2022 for the second annual 4P camp for incoming 6th - 8th graders! Special thanks to everyone who made this possible, and the campers that made this first year so much FUN!

the time; they just have the heart.

Prayer on the Fourth of July

Father, we celebrate our freedom today.

We celebrate living in this country where we are free to be the best we can be.

Thank you for all your blessings on America.

Please teach us how to use our freedom to make all your people happy.

Amen.

NO BAD NEWS

There are many times when we say, “Tell me what I want to hear, and don’t confuse me with facts.” And we don’t take kindly to someone who might be bold enough to snuff out our expectations.

The biggest problem with such an attitude is not that we miss out on the truth or the facts, but that we miss out on the new and surprising gifts others can give us. Like the townspeople in today’s Gospel story, we too often refuse to allow others to display the talents that can be good news for us.

Today’s readings call for hospitality and faith and discernment. Hospitality opens the doors of our hearts and minds to the “stranger” among us, no matter how familiar he or she may seem to be. Faith enables us to accept the gifts of others, no matter how alarming or “strange” they may seem to be. Discernment helps us discover the prophets in our midst, no matter how amazing they may seem to be. Hospitality, faith, and discernment—cultivate these. Then, nobody can bring bad news.

I wish to thank God for being with me during my surgery. “Be not afraid, I am with you”. I wish to thank Father Paul, who is a very busy Priest, but has time for one more, to anoint me. I thank the people of Prince of Peace who prayed for me. They are a showing people of caring, faith and love. There never is enough words or a special word to thank you. The surgery went well.

This week Katie Clark from St. James and myself took some of our high school youth on a church tour pilgrimage. Our main stop was Our Lady of Peace Shrine which is in Pine Bluffs, WY, just about 20 min away from Sidney, NE. It is the largest Marian Shrine in North America and it just across the Nebraska border. Along the way we made stops to tour the 3 parishes in North Platte as well as attend Cody Go Karts for some entertainment. Additionally, our tours also included Ogallala, Chappell, and Sidney which is where we stayed the night on Wednesday. Pictures will follow in next week's bulletin.
