

Mask Sale!

Sat, June 27 & Sun, June 28

10am – 4pm

Sale Held Outside in Back Garden

FACE IT, MASKS MATTER

More than a health item, masks are fashion statements now! And as schools, offices, and stores reopen, everyone will need multiple masks for their everyday activities. Most online ordering has been expensive and delayed! The Woman's Club is making washable, colorful, cotton masks:

All sizes (packaged individually in sealed plastic bags)!
Various themes (including school colors and local sports teams)!
Fun colors and styles! Prices start at just \$10!

This outdoor sale will be held in our spacious garden allowing appropriate social distancing. Buy multiple masks for your family so you have one in each bag, backpack, and car! **Rain Dates are the following weekend, July 4-5.**

(Cash, checks and credit cards will be accepted. Social distancing will be observed with tables widely spaced and one family per table allowed. Thank you for your support!)
