

WCCC
Garden Section
Spring Fundraiser

The Garden Section of the Woman's Club of Chevy Chase is raising funds to establish a **Pollinator Garden** and to plant pollinator-friendly plants throughout their landscape as well as to support the Club's Community Service and Art & Music Scholarship funds. We are selling flowers, bulbs and seeds through [Flower Power Fundraising](#), which helps groups, causes, and communities using an earth-friendly alternative to

traditional fundraising through the sale of flowers, bulbs, and perennials that can be enjoyed for years to come!

Start planning your spring garden now at [Flower Power Fundraising](#) and help the Woman's Club of Chevy Chase pollinator garden.

As you fill out the online order form, please carefully read the product description. Your order will be mailed directly to your home for a fee of \$6.00. **Online orders must be placed by May 15, 2021.**

If you prefer not to order online, please use the paper order form that you can request from [The Garden Section](#).

Mail-in orders must be received by May 1, 2021. Please make checks out to WCCC and mail them to: The Woman's Club of Chevy Chase, 7931 Connecticut Avenue, Chevy Chase, MD 20815
