

The Woman's Club of Chevy Chase
"Over 100 Years of Community Service"

For over 100 years, the members of The Woman's Club of Chevy Chase have contributed thousands of hours of volunteer service and scholarship support to individuals and charitable organizations in Montgomery County. Today, we need to ask others for help. As a safety initiative, we are undertaking the replacement of the flagstone walkways around our building, which are in desperate need of repair. This is a necessary improvement to our infrastructure so that members can safely continue their work at the clubhouse in support of the community.

May we count on your support for this project?

Yes! I am interested in supporting the work of The Woman's Club of Chevy Chase by making a contribution to their Walkway to the Future Campaign.
