

Woman's Club of Chevy Chase presents their

WALKWAY PROJECT

WE HAVE A SAFETY IMPROVEMENT
INITIATIVE AND WE NEED YOUR SUPPORT!

Walk With Us As We Step Toward the Future

OUR MISSION

For over 100 years, the Woman's Club of Chevy Chase has been helping others in their community. Today, the Woman's Club needs to ask their community for help.

Part of the infrastructure to our clubhouse is in desperate need of repair. We are undertaking the replacement of all of our flagstone walkways on our property. This safety improvement initiative will allow our members to continue their valuable and important work contributing to groups that provide food, shelter and counseling to those in need in Montgomery County and throughout the state of Maryland. **May we count on your support so that we can continue to support others? 100% of your gift will go directly to the WCCC Walkway Project. To make a gift, go to www.wccmaryland.org. Thank you for your generosity!**
