

SONGLINE SKATEBOARDING

WHAT WE OFFER?

Skate Lessons - Our experienced facilitators provide safe, step-by-step lessons tailored to all skill levels from first timers to those already comfortable on a board.

Art on Skateboard Decks - We provide blank skateboard decks for students to design and personalize with guided art sessions a creative way to express individuality and build pride in their creations.

Skateboard Demonstration - A high-energy skate demo in front of the school, designed to inspire and excite the students.

Skate Games & Challenges - Fun and inclusive games are integrated into the sessions to build confidence, encourage teamwork, and keep the energy high.

Wellbeing Talks - Throughout the day, we incorporate short wellbeing talks focused on confidence, resilience, and the positive impact of physical activity and creative expression on mental health.
