Section 3. **Purpose.** Germantown, German, Jackson and Farmersville intend that the creation and operation of the District shall, and it is the purpose of the District, to facilitate economic development, to create or preserve jobs and employment opportunities and to improve the economic welfare of the people in the State, the County of Montgomery (the “County”), Germantown, German, Jackson, Farmersville and the District.

Section 4. **Territory of the District.** The territorial boundaries of the District are described in Exhibit A attached to and made part of this Contract. This Contract incorporates and includes all exhibits attached hereto. The territory of the District is located entirely within the boundaries of the contracting parties and the County and does not include any “parcel of land” (as defined in Section 715.72(E)(1)(c) of the Revised Code) that is owned in fee by or is leased to a municipal corporation or township, except land owned by a Contracting Party. Furthermore, no electors reside within the area or areas comprising the District and no part of the area or areas comprising the District is zoned for residential use. Any parcels which are zoned for residential use in the future are hereby excluded from the JEDD and no income tax imposed by the Board will be applicable to such future residential parcels.

Section 5. **Addition and Removal of Areas from District.** The Contracting Parties may amend this Contract from time to time to add to the District any area that was not originally included in the District when this Contract became effective, in accordance with Section 715.72(L) of the Revised Code. The Contract may be so amended by amending Exhibit A or by adding one or more exhibits to the Contract.

Section 6. **Term.** The initial term of this Contract shall commence on the first day after (i) the date this Contract is lawfully executed by all of the parties hereto; and (ii) the expiration of any statutory period permitting a referendum of Germantown or Farmersville’s ordinances or the Townships’ resolutions. The initial term of this Contract shall terminate on December 31, 2031, unless otherwise terminated prior to that date as provided herein.

This Contract shall automatically extend for nine renewal terms that are each 10 years in duration unless either German or Germantown and Farmersville notifies the other parties in writing at least one year prior to the expiration of the original term or any renewal term that it does not intend to renew this Contract.

The provision herein for the initial term and any extension of this Contract recognizes that the accrual of benefits to the parties from this Contract may take decades.

Jackson may withdraw from this Contract, at any time, by providing not less than ninety days’ written notice to the other Contracting Parties of its intent to withdraw. Such a withdrawal by Jackson shall not affect the existence, enforceability or validity of the Contract and the Contract shall continue according to its terms with respect to all other Contracting Parties. If Jackson withdraws from the Contract, all of Jackson’s rights, responsibilities and obligations under this Contract shall become rights, responsibilities and obligations of German.
Farmersville or Germantown, but not both, may withdraw from this Contract, at any time, by providing not less than one hundred eighty days’ notice to the other Contracting Parties of its intent to withdraw. Such withdrawal by Germantown or Farmersville shall not affect the existence, enforceability or validity of the Contract and the Contract shall continue according to its terms with respect to all other Contracting Parties. If Germantown or Farmersville withdraws from the Contract, all of the withdrawing municipality’s rights, responsibilities and obligations under this Contract shall become the rights, responsibilities and obligations of the other municipal Contracting Party.

This Contract may be terminated at any time by mutual consent of all the Contracting Parties hereto as authorized by their respective legislative authorities as provided herein. In order for such termination to be effective, the legislative actions of the Contracting Parties that terminate this Contract must occur and be effective within a period of 90 days of each other.

This Contract may also be terminated by any party if it is determined at any time, for any reason, by a court of competent jurisdiction that (i) this Contract could not be entered into, cannot be implemented or is invalid or (ii) the income tax provided for in Section 10 hereof is not legal or valid or the District, for any reason, may not levy, collect or distribute that income tax in accordance with this Contract. The determination to so terminate this Contract shall be evidenced by a written notice of such termination from the party to all other parties. The termination shall occur on the date set forth in that notice. If this Contract is terminated upon the exercise of this option, the Contracting Parties shall have no further obligation under this Contract.

In the process of termination of this Contract but prior to final termination, any real or personal property, assets or funds of the District and any obligations, debts or liabilities of the District shall be distributed between the contracting parties as follows: German 35%, Jackson 10%, Germantown 35%, and Farmersville 20%, provided that, prior to incurring any obligation, debt or liability exceeding $20,000, or that would cause the District’s total aggregate outstanding obligations, debt or liability to exceed $20,000, the Board shall have obtained the approval of the Contracting Parties. Before any such distribution, the District shall first use any such property, assets or funds to pay, reduce or settle any obligations, debts or liabilities of the District in accordance with the terms under which such obligations, debts or liabilities were originally incurred. Obligations of the District include, but are not limited to, obligations of the District to one or more of the Contracting Parties under this Contract or separate agreements for the provision of money, services, facilities, capital improvements or other contributions to the District or otherwise. To the extent permitted by law, obligations of the District to a Contracting Party shall take precedence over other obligations, debts or liabilities of the District.

Pursuant to Section 715.72(G) of the Revised Code, this Contract shall continue in existence throughout its term, including all renewal terms, and shall be binding on the Contracting Parties and on any entities succeeding the Contracting Parties, whether by annexation, merger or otherwise. Any portion of the territory of the District (not now in a municipal corporation) that is included within a municipal corporation by annexation, merger or otherwise, after the date of this Contract, shall continue to be a part of the District subject to the terms of this Contract and to the income tax provided for in Section 10 hereof.
Section 7. **Contributions to the District.** In accordance with Section 715.72(F) of the Revised Code, the contracting parties each agree to provide services and improvements to the District to facilitate economic development in the District. The contracting parties may provide administrative services and other staffing as each Contracting Party, in its sole discretion, determines, at no cost to the District. In addition, the Board may contract for such services with any or all of the Contracting Parties on such terms as the Board and the respective Contracting Parties may agree. The Contracting Parties may, but are not required to, make financial contributions to the District. The Contracting Parties shall cooperate with the Board in obtaining financial assistance, both public and private, for economic development projects, but shall not be required to assume any financial obligation in doing so.

The Contracting Parties shall contribute an aggregate amount of $15,000 to the District to pay initial legal, administrative and other costs generally identified in the request. This initial contribution shall be made within 45 days of receipt of the request of the Board as follows:

Germantown shall prepare, or cause to be prepared, all documents of Germantown and the District relating to the formation of the District including, but not limited to, this Contract, notices, forms of Germantown, Farmersville, German, Jackson, and District legislation and election proceedings, if necessary. Any costs incurred and paid by Germantown in preparing such documents or otherwise incurred by Germantown in assisting in the establishment of the District shall be reimbursed to Germantown from the contributions of all Contracting Parties to the District. Any costs incurred and paid by any other party in assisting in such preparation or in identifying property owners and businesses within the District, describing the District boundaries and obtaining signatures on petitions for the creation of the District (but not including costs and expenses of such party incurred pursuant to Section 5 hereof) shall be reimbursed to such party from the contributions to the District.

The budget shall estimate the revenues of the District and expenses of the District. The Board shall provide a copy of the annual budget to the Contracting Parties promptly after its adoption. The Board shall establish an appropriations procedure to provide for payment of the expenses of the District and the distribution of income tax revenues pursuant to and consistent with this Contract. The Board shall establish and maintain such funds or accounts as it deems necessary, either of its own, or in conjunction with or through the Contracting Parties.

The Board is authorized to take such necessary and appropriate actions, or establish such programs, to facilitate economic development in the District in accordance with the purposes of this Contract and the funds appropriated or available for such actions or programs.

The Board may enter into an agreement with any of the Contracting Parties to administer and implement employment and discharge of, and salaries, benefits and work rules established for, employees of the District. All costs of employment, including but not limited to, compensation, salaries, benefits, taxes and insurance, shall be paid from revenues of the District. None of the Contracting Parties shall be the employer and shall have no responsibility or liability for any costs of employment or any other costs, expenses or liabilities arising from such employment.

This Contract grants the Board the power and authority to adopt a resolution to levy an income tax within the District in accordance with Section 715.72(F)(5) of the Revised Code and Section 10 hereof.

The Board is authorized to do all acts and things necessary or convenient to carry out the powers granted in this Contract, including but not limited to:

Apply for, receive and accept from any federal agency, state agency, or other person or entity grants for or in aid of the construction, maintenance or operation of any District facility, or for programs or other projects of the District, and receive and accept aid or contributions from any source of money, property, labor or other things of value, to be held, used and applied only for the benefit of the District and the purposes for which such grants, aid or contributions are made.

Purchase liability insurance protecting the District, its Board or Officers against any liability and/or purchase any necessary bonds to insure any Officer.

Adopt a resolution to levy an earnings tax within the District in accordance with Ohio Revised Code Section 715.72(F)(5) and Section 10 hereof.
In accordance with Section 715.72(T) of the Revised Code, Germantown and Farmersville may exercise all of the powers of a municipal corporation, and may perform all of the functions and duties of a municipal corporation, within the District, including but not limited to, those powers, functions and duties set forth elsewhere in this Contract, as well as such others that are determined by Germantown or Farmersville to be necessary to carry out the purposes of this Contract, all of which such exercise and performance shall be deemed to be pursuant to and consistent with this Contract.

In accordance with Section 715.72(T) of the Revised Code, German and Jackson may exercise all of the powers of a township, and may perform all of the functions and duties of a township, within the District, including but not limited to, those powers, functions and duties set forth elsewhere in this Contract, as well as such others that are determined by German or Jackson to be necessary to carry out the purposes of this Contract, all of which such exercise and performance shall be deemed to be pursuant to and consistent with this Contract.

The Contracting Parties agree that German shall have the right, in its sole and absolute discretion, to grant real property tax exemptions, pursuant to Sections 5709.73 et seq. of the Ohio Revised Code (Tax Increment Exemptions), within the District for any purpose permitted by said statutes. Furthermore, the Contracting Parties agree that German shall have the right, in its sole and absolute discretion, to grant all other incentive and real property tax exemptions within the District as otherwise permitted under the Ohio Revised Code, including requesting Enterprise Zone exemptions pursuant to Section 5709.63 of the Ohio Revised Code, or Community Reinvestment Area exemptions pursuant to Section 3735.67, granted by the County. The Contracting Parties consent to the use of these incentives and exemptions by German or the County at the German’s request and agrees that no further consent is required from the Contracting Parties.

Section 10. **Income Tax.** The Board, at its first meeting, shall adopt a resolution to levy an income tax in the District at a rate of 1.50% through December 31, 2024, and at a rate of 1.25% thereafter, in accordance with Section 715.72(F) of the Revised Code. This income tax shall go into effect within 60 days of the adoption of that resolution, as provided therein. The rate of the income tax shall change from time to time so that it is not more than the highest rate of the municipal income tax levied by Germantown or Farmersville while either is still a Contracting Party; no action by the Board shall be required to effect a change to reduce such rate in order to be in compliance with these provisions. Such change in rate shall go into effect on the first day of the month following the applicable change in the municipal income tax rate of Germantown or Farmersville or withdrawal of Germantown or Farmersville, as applicable. The Board may by resolution adopt any other changes to the income tax rate so long as such changes are in compliance with Section 715.72(F) of the Revised Code. The Board shall promptly notify the Contracting Parties and the administrator of the income tax of any change. The revenues of the District income tax shall be used for the purposes of the District and the Contracting Parties pursuant to this Contract.

The Board shall adopt, by resolution, all of the provisions (other than the rate) of the income tax legislation of Farmersville, as that legislation may be amended from time to time, as applicable to the District income tax. The income tax levied by the Board pursuant to this Contract and Section 715.72(F) of the Revised Code shall apply in the entire District throughout the term of this Contract, except and excluding any parcels that are zoned for residential use in the future on the
date such parcel is zoned for residential use, notwithstanding that all or a portion of the District becomes subject to annexation, merger or incorporation.

The Board shall enter into an agreement with Germantown or Farmersville to administer, collect and enforce the income tax on behalf of the District, provided that such agreement may be assigned or subcontracted to another agency by Germantown or Farmersville to perform those functions for the District (the “Tax Agreement”).

Farmersville’s tax administrator shall serve as the Administrator of the income tax derived from the District and shall be responsible for the receipt, safekeeping, accounting, and investment of income tax revenues pending disbursement. All receipts shall be deposited to a separate District account which shall not be mingled with revenue from other sources. Earnings on the District account and investments related thereto shall be added to the account. The Administrator or designee has authority to grant refunds and compromise claims for tax, penalties, and interest. The Administrator or designee has authority to commence legal proceedings pertaining to delinquent tax collection and enforcement, and declaratory judgment regarding disputed interpretation and applicability of the income tax imposed hereunder. The Administrator or designee is authorized to investigate and audit taxpayer returns and to issue subpoenas in furtherance of duties. The Administrator is designated to be an interested party and is authorized to commence and defend legal proceedings in the name of the District in any way pertaining to the income taxation within the District.

The Administrator shall report directly to the Board and Contracting Parties regarding receipt and distribution of income tax revenue including amounts retained in escrow. The Administrator shall furthermore report quarterly regarding District operating income and expenses for the preceding quarter.

Pursuant to Section 715.72(F)(5) of the Revised Code, and at the discretion of the Board, from the commencement of the income tax collections through December 31, 2024, the District shall annually set aside an amount equal to not less than twenty-one percent (21%) of the amount of the income tax collected (i.e. all amounts collected from the levy of the income tax each year) for long-term maintenance of the District; and commencing January 1, 2025, the District shall annually set aside an amount equal to not less than six percent (6%) of the amount of income tax collected for long term maintenance of the District. Long-term maintenance of the District shall include but not be limited to, providing for the administration of the District and providing capital improvements, equipment and services within the District. In consideration of its services pertaining to income tax administration and collection, Farmersville shall receive annually a service fee equal to four (4%) percent of gross income tax revenues collected for that period or a minimum of $4,750. The service fee may be applied to administrative costs at Farmersville’s discretion, but shall also be applied specifically to costs of collection. The Administrator shall also annually place between two percent (2%) and ten (10%) percent, as determined from time to time by the Board, of the gross income tax revenue into an escrow fund. Escrow proceeds may be utilized to pay refunds, and in general to balance accounts. In the event of an escrow deficiency, the Administrator may invoice the Contracting Parties according to their distributable revenue percentage set forth herein to satisfy the deficiency. Invoices for deficiency are due and payable within thirty (30) days from invoice. Annually, any escrow surplus shall be distributed to the
Contracting Parties based on the distributable revenue percentages set forth herein. Earnings achieved on any surplus escrow shall be added to the escrow fund.

The Board shall use its revenues to meet the current obligations of the District, including but not limited to, obligations of the District to one or more of the Contracting Parties under this Contract or under separate agreements for the provision of money, services, facilities, capital improvements or other contributions to the District, in accordance with the terms under which such obligations, debts or liabilities were originally incurred. To the extent permitted by law, obligations of the District to a Contracting Party shall take precedence over other obligations, debts or liabilities of the District. The Board shall then distribute the remaining income tax revenues to the Contracting Parties. “Distributable Revenue” shall be annual gross income tax revenue minus the sum of the annual service fee, the annual escrow fee and the Board amount, all as set forth in the preceding paragraph. The distribution of the Distributable Revenues shall be made monthly as set forth in the Tax Agreement and shall be allocated to the Contracting Parties as set forth on Exhibit C attached hereto.

The income tax revenues are to be used by the District, and the Contracting Parties to encourage and promote economic development in the District and the Contracting Parties, including, but not limited to, maintaining and improving the infrastructure facilities of the District and the Contracting Parties (including paying debt charges related thereto), providing safety and health services within the District and within the Contracting Parties, providing urban and economic development planning, engineering, counseling, consulting, marketing and financing services for the District and for the Contracting Parties, and generally improving the environment for those working in the District and for those working and residing in the Contracting Parties, and for all other purposes as permitted by law.

The District territory shall have primacy over residential status relating to the collection of the income tax derived from individual earnings within the District notwithstanding the provisions of the Farmersville Income Tax Ordinance which may provide to the contrary.

The Treasurer of the District shall make a quarterly report to the Board regarding the receipt and distribution of the income tax of the District and the operating income and expenses of the District for the preceding quarter and projections for the next quarter. The Treasurer’s report shall be provided to each of the Contracting Parties.

Section 11. Defaults and Remedies. A failure to comply with the terms of this Contract shall constitute a default hereunder. The Contracting Party in default shall have 60 days after receiving written notice from another Contracting Party of the event of default to cure that default. If the default is not cured within that time period, the nondefaulting Contracting Parties may sue the defaulting Contracting Party for specific performance under this Contract or for actual damages or both. Other than as provided in Section 6 hereof, this Contract may not be canceled or terminated because of a default unless all Contracting Parties agree to such cancellation or termination.

Section 12. Amendments. In addition to the amendments provided for in Section 5 hereof, this Contract may be amended by the Contracting Parties only in a writing approved by the respective legislative authorities of each of the Contracting Parties by appropriate legislation.
authorizing that amendment. In order for such amendment to be effective, the legislative actions of the Contracting Parties that amend this Contract must occur and be effective within a period of 90 days of each other.

Section 13. **Binding Effect; Mandamus.** This Contract shall inure to the benefit of and shall be binding upon the District, German, Jackson, Germantown and Farmersville and their respective permitted successors, subject, however, to the specific provisions hereof. This Contract shall not inure to the benefit of anyone other than as provided in the immediately preceding sentence. All of the obligations and duties of the Board, German, Jackson, Farmersville and Germantown under this Contract are hereby established as duties specifically enjoined by law and resulting from an office, trust or station upon the Board, German, Jackson, Farmersville and Germantown within the meaning of Section 2731.01 of the Revised Code.

Section 14. **Support of Contract.** The Contracting Parties agree to cooperate with each other and to use their best efforts to do all things necessary for the creation and continued operation of the District, including, but not limited to, supporting, within the legal parameters applicable to each Contracting Party the approval by the electors of either or both of the townships of the resolution authorizing this Contract, if necessary. In the event that this Contract or any of its terms, conditions or provisions is challenged by any third party or parties in a court of law, the Contracting Parties agree to cooperate with one another and to use their best efforts in defending this Contract with the objective of upholding this Contract. The Contracting Parties shall each bear its own costs in any such proceeding challenging this Contract or any term, condition or provision thereof, provided that the Board shall reimburse the Contracting Parties for such costs to the extent funds of the District are available and appropriated therefor. In the event that District funds are not available and appropriated therefor, the costs of any such proceeding shall be allocated among the Contracting Parties as follows: German 35%, Jackson 10%, Farmersville 20% and Germantown 35%.

Section 15. **Signing Other Documents.** The Contracting Parties agree to cooperate with one another and to use their best efforts in the implementation of this Contract and to sign or cause to be signed, in a timely manner, all other necessary instruments and documents, and to take any and all actions, in order to effectuate the purposes of this Contract.

Section 16. **Severability.** In the event that any section, paragraph or provision of this Contract, or any covenant, agreement, obligation or action, or part thereof, made, assumed, entered into or taken, or any application thereof, is held to be illegal or invalid for any reason:

(a) that illegality or invalidity shall not affect the remainder hereof or thereof, any other section or provision hereof, or any other covenant, agreement, obligation or action, or part thereof made, assumed, entered into or taken, all of which shall be construed and enforced as if the illegal or invalid portion were not contained herein or therein,

(b) the illegality or invalidity of any application hereof or thereof shall not affect any legal and valid application hereof or thereof, and
Section 17. **Governing Law.** This Contract shall be governed exclusively by and construed in accordance with the laws of the State, and in particular Section 715.72 of the Revised Code. In the event that Section 715.72 of the Revised Code is amended or supplemented by the enactment of a new section or sections of the Revised Code relating to joint economic development districts, the Contracting Parties may agree at the time to follow either the provisions of Section 715.72 existing on the date of this Contract or the provisions of Section 715.72 as amended or supplemented, to the extent permitted by law. Nothing in this Contract shall limit the ability of the District, or the Contracting Parties to aggregate to acquire preferential rates for telecable, telephone, gas, electric or other utility services.

Section 18. **Miscellaneous.** The captions and headings herein are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections hereof. (a) Any news media that desires advance notification of special meetings shall file with the Secretary a request therefor. Such requests may be modified or extended only by filing a complete new request with the Secretary. The request shall specify whether the request is for meetings of the Board or for an advisory committee, if any, the name of the news media, the name and address of the person to whom written notifications to the media can be mailed, and at least one telephone number that can be called at any hour of the day or night for the purpose of giving oral notification to the media.

(b) Except in the event of an emergency requiring immediate official action, a special meeting shall not be held unless the Secretary has given at least 24 hours advance written notification or oral notification to the requesting news media of the time, place and purpose of the special meeting. The Secretary shall give that advance notice for any special meeting; provided that if the Secretary does not give that advance notice, it may be given by any member of the Board.

(c) In the event of an emergency requiring immediate official action, a special meeting may be held even though 24 hours advance notice has not been given to the requesting news media. The person or persons calling the special meeting, or the Secretary on their behalf, shall immediately give written notification or oral notification, or both, as the person or persons giving such notification determine, of the time, place and purpose of the meeting to the requesting news media. The record of any such meeting shall state the general nature of any emergency requiring immediate official action.

(3) **Notification of Discussion of Specific Types of Public Business.** Any person may, upon written request and as provided herein, obtain reasonable advance notification of all meetings at which any specific type of public business is scheduled to be discussed.

(a) Such person may file a request with the Secretary, which request shall specify the person’s name and mailing address and/or e-mail address, the telephone number or numbers at which the person can be reached during and outside of business hours, whether the Board
or an advisory committee, if any, is the subject of the request, the specific type of public business concerning which the person is requesting advance notification, and the number of calendar months that the request covers.

(b) The request filed with the Secretary must be accompanied by a valid e-mail address or a supply of self-addressed, stamped envelopes in addition to any fee that the Board determines to be reasonable to cover costs of providing such notifications. Such request may be modified or extended only by filing a complete new request with the Secretary. A request shall not be deemed to be made unless it is complete in all respects, and the information contained in such request may be conclusively relied on by the Board and the Secretary.

(c) The Secretary shall, if possible, give such advance notification by written notification, provided that written notification shall be given only so long as the supply of self-addressed, stamped envelopes lasts. If such written notification cannot be given or has not been given (other than for lack of such envelopes), the Secretary shall give oral notification.

(4) General.

(a) Any notification provided herein to be given by the Secretary may be given by any person acting on behalf of or under authority of the Secretary.

(b) The Secretary shall maintain a record of the date and time, if pertinent under this Section, of all notices and notifications given or attempted to be given under this Section, and to whom such notifications were given or unsuccessfully attempted to be given.

(c) The Secretary, or any person acting on behalf of or under the authority of the Secretary, or any member of the Board or advisory committee, if any, shall, upon request and within a reasonable time, submit a certificate of the Secretary or any person acting on behalf of or under the authority of the Secretary, as to compliance with this Section of these Bylaws as to notice and notification. A reasonable attempt at notification shall constitute notification in compliance therewith. That certificate shall be conclusive upon the Board as to the facts set forth therein.

Section 4. Advisory Committees. The Board may appoint one or more advisory committees to assist the Board in the management of the District or any of its programs. The members of an advisory committee shall be appointed by and shall serve at the pleasure of the Board and for such period of time as may be determined by the Board. Each advisory committee shall perform the duties directed by the Board.

The Board shall appoint a chairperson and vice chairperson for each advisory committee. The advisory committee chairperson shall preside at all committee meetings and prepare the agenda for each meeting following consultation with the Board. In the absence of the committee chairperson, the committee vice chairperson shall preside at committee meetings. The committee
vice chairperson shall succeed to the office of the committee chairperson, should it be vacated before the end of a term, and shall assist the committee chairperson in the discharge of the chairperson’s duties.

Each advisory committee shall make recommendations to the Board concerning any matter referred to it by the Board.

Section 5. Conduct of Meetings. All meetings provided for in these Bylaws shall be conducted in accordance with the rules established by the chairperson of the meeting; provided, however, upon the request of three members at a meeting, the chairperson shall conduct the meeting in accordance with the then current edition of Robert’s Rules of Order, Revised. The Chairperson (and, in the case of an advisory committee, the committee chairperson) shall be the parliamentary procedure officer and the decisions of such chairperson with respect to matters of parliamentary procedure shall be final.

Section 6. District Funds. The District’s funds shall be established and maintained by the Treasurer separate and apart from all other funds that may be under the custody of the Treasurer. The Board shall establish a General Fund for the operation and administration of the District. The District’s funds shall be subject to the laws of the State concerning the investment and management of public funds, particularly Chapter 135 of the Revised Code, and shall be the responsibility of the Treasurer.

The Treasurer of the District shall deposit or cause to be deposited in the General Fund the revenues received from income tax or from other sources for operating costs of the District. Money may be transferred from the General Fund to any other fund of the District by action of the Board. Any interest earned on money in any District fund shall be credited to that fund. Disbursements may be made from a District fund by the Treasurer at the direction of the Board for any proper purpose of the District, including but not limited to payment of operating costs, costs incurred in connection with the organization and meetings of the District, costs and expenses of studies undertaken relating to new programs that may be of benefit to the District, fees and expenses provided under the Contract or the Tax Agreement or of consultants and lawyers, payment of other operating expenses, and payment of other costs of programs or projects of the District.

The Treasurer shall maintain records that account for all disbursements from the District funds. The Treasurer shall request the Administrator under the Tax Agreement to make quarterly reports to the Board concerning all contributions to and disbursements from the District’s funds during the preceding calendar quarter.

Section 7. Equipment and Facilities. The Board may purchase, lease, lease with an option to purchase, or otherwise provide for supplies, materials, equipment and facilities as it deems necessary and appropriate to carry out the programs and projects of the District. The District shall comply with the laws of the State and the Contract with respect to the procedures for bidding and letting of contracts for the acquisition, repair or improvement of its facilities, equipment and supplies. All contracts or leases or lease-purchase agreements or other arrangements entered into by the District for supplies, materials, equipment or facilities of the District shall be approved by the Board and shall be signed by the Chairperson and by the Treasurer. In the absence or unavailability of the Chairperson, such contracts or leases or other agreements may be signed by the Vice Chairperson.

Section 8. Amendments. These Bylaws may be modified, amended or supplemented in any respect upon approval of the modification, amendment or supplement by at least three members of the Board. The Secretary shall promptly provide a copy of the modified, amended or supplemented Bylaws to German, Jackson, Farmersville and Germantown.
Section 9. **Transition.** In the first Fiscal Year of the Board’s operations, actions required by these Bylaws to be taken by the Board prior to specified dates shall be taken as soon as practical following the effective date of the Bylaws.

ECONOMIC DEVELOPMENT PLAN

Including schedule for new, expanded or additional services, facilities or improvements

(required by ORC Section 715.72(F)(3))

Valley View Joint Economic Development District Economic Development Plan

Introduction

The purpose of this plan, established pursuant to Ohio Revised Code Section 715.72, is to set forth the objectives and strategies for the economic development of the Valley View Joint Economic Development District ("JEDD"). This plan is intended to serve as a framework for District efforts to facilitate economic development in German Township, Jackson Township, the City of Germantown and the Village of Farmersville (together the “Contracting Parties”).

Background

Currently, the Valley View Local School District (the “School District”) has separate educational and administrative buildings in different locations. However, the School District is planning to consolidate their educational and administrative facilities onto one campus in German Township.

The School District educates approximately 2,000 students residing in the City of Germantown, the Village of Farmersville, German Township and Jackson Township. A staff of 150 in five separate buildings located in three different jurisdictions currently educates the students.

The district’s primary, intermediate and junior high buildings do not have conducive learning environments in which to teach students. Lack of climate control, security, ADA accessibility and technology are all placing a hardship on the students and staff. The Ohio Facilities Construction Commission has labeled three of the district’s buildings “Poor”. The high school building the youngest of the buildings will require minor renovations to maintain a high quality educational environment.

The School District is an established school district in Montgomery County. To meet the needs of the district’s students and to address the concerns of the aging buildings used to educate the students, the School Board has held numerous meeting to select the best option to replace their existing aging school buildings. After much discussion and deliberation, the district has decided to relocate all of the educational facilities to one site in German Township. The school district recently received community approval for their construction plan with the passage a bond levy. The levy was approved in April, 2020.
The JEDD area encompasses 114.496 acres in German Township. Development is expected to include the new school facilities and future development of complementary businesses within the JEDD.

Values and Goals for the Future

The City of Germantown, Village of Farmersville, German Township and Jackson Township have developed the proposed JEDD to facilitate and encourage the future growth and economic vitality of all communities within the Valley View School District. The future of the community starts with the successful education and development of the students within the community. A priority of the JEDD, upon formation, will be to generate financial resources necessary to provide appropriate governmental services and public infrastructure in support of the new school facilities and related development. The JEDD will distribute income tax revenues equitably to preserve and provide needed infrastructure and community services to support the School District and other businesses within the JEDD.

Values:

- To maintain vibrant communities within the School District, the participating jurisdictions have identified the following values to guide economic development initiatives for the JEDD:
  - A safe and secure community
  - Educational excellence that provides life-long learning opportunities
  - A vibrant and balanced economy
  - Social, cultural, economic, and spiritual diversity within an atmosphere of mutual respect,
  - Infrastructure that supports community growth and a broad range of recreational, cultural and intellectual opportunities

Goals as Related to Economic Development:

- To maintain and expand community services and infrastructure to insure a high quality of life
- To promote existing businesses and expand the number and kinds of high quality companies
- To encourage and promote businesses within the JEDD that will be compatible with the educational and related functions of the School District

Economic Development Priorities:

- To support the best educational opportunities and experiences in the School District
- Encourage development that will create and retain jobs throughout the JEDD
- Encourage development in the JEDD that will provide support services to the School District and surrounding communities
- Increase the tax base through the attraction of more commercial investment
To encourage economic development throughout the JEDD, each participating jurisdiction must continue to provide necessary infrastructure and community services. Maintenance of and improvements to infrastructure are required for the upkeep of existing systems, while planning for the future requires supporting the development of long-term infrastructure plans and community service needs. The proposed services, facilities and improvements set forth in the attached Schedule A and the tax revenues described in the attached Schedule B (and the expenditure thereof) will have a direct benefit to the businesses within the JEDD boundaries.
Schedule A
Schedule for New, Expanded, or Additional Services, Facilities, and Improvements

The Contracting Parties support the construction of a comprehensive consolidated Valley View School District campus in German Township and related development. The JEDD will work with the county, the state and the Contracting Parties to facilitate the provision of the following new, expanded, and additional services, facilities, and improvements:

- Capital improvements and long-term maintenance of roadways, sidewalks, intersections, signage and other public infrastructure within and adjacent to the JEDD boundaries;
- Capital improvements and long-term maintenance of water systems and other public utility infrastructure within and adjacent to the JEDD boundaries;
- Emergency and safety services to respond to the needs of the increased number of students and staff located at a single site;
- Traffic management systems and services to allow for efficient and safe flow of vehicular and pedestrian traffic to and from and within the JEDD; and
- Encouragement of economic development, job creation, and commercial development to create and retain jobs.

The JEDD expects this Economic Development Plan to be integrated into and complementary to the economic development planning for the entire area of the Contracting Parties, and is expected to provide the stimulus for the economic enhancement of German Township and to maintain and create jobs and economic opportunities for the residents of the Contracting Parties.
Schedule B

Schedule for Collection of Income Taxes

The Board of the JEDD will levy an income tax within the JEDD in accordance with Ohio Revised Code Section 715.72 on all employee wages earned within the JEDD and all net profits of all businesses earned within the JEDD.

For each fiscal year during which the Contract is effective, the Board shall levy the income tax on employee wages earned within the District and on net profits of businesses earned within the District at a rate equal to the rate determined pursuant to Section 10 of the Contract.

The Income Tax Rate shall initially be established at the Germantown income tax rate of one and one half percent (1.5%) through December 31, 2024, and at a rate of 1.25% thereafter, in accordance with Section 715.72(F) of the Revised Code. This income tax shall go into effect within 60 days of the adoption of a resolution adopted by the JEDD Board, as provided therein. The rate of the income tax shall change from time to time so that it is not more than the highest rate of the municipal income tax levied by Germantown or Farmersville, which is still a Contracting Party; no action by the Board shall be required to effect a change to reduce such rate in order to be in compliance with these provisions. The Board may by resolution adopt any other changes to the income tax rate, so long as such changes are in compliance with Section 715.72(F) of the Revised Code.

The Board may establish procedures by which the income tax levied on employee wages earned within the JEDD is to be collected from employees employed within the JEDD or withheld by businesses located within the JEDD, and the Board shall establish procedures by which the income tax on net profits of businesses earned within the JEDD is to be collected from one or more businesses located within the JEDD. Such procedures may provide for the payment of withholding or estimated taxes by those employees or businesses and the reconciliation of income taxes paid on net profits of businesses between fiscal years.

The Board shall enter into an income tax collection and distribution administrator agreement with one of the municipal contracting parties to administer, collect and enforce the income tax on behalf of the Board in accordance with the Contract and the administrator agreement. The administrator agreement shall provide that such municipal party is responsible for the receipt, safeguarding, investment and distribution of the income taxes collected within the JEDD.
The resolution levying the income tax within the JEDD shall provide that an amount equal to not less than twenty-one percent (21%) of the amount of the income tax collected (i.e. all amounts collected from the levy of the income tax each year) be set aside for long-term maintenance of the JEDD through December 31, 2024 and commencing January 1, 2025 an amount equal to not less than six percent (6%) of the amount of the income tax collected shall be set aside for long-term maintenance of the JEDD; the income tax administrator shall receive annually a service fee equal to four (4%) percent of gross income tax revenues collected for that period; and an amount equal to between two percent (2%) and ten (10%) percent of the gross income tax revenue, as determined from time to time by the Board, shall be placed into an escrow fund to pay refunds, and in general to balance accounts and the balance of the income tax revenues shall be distributed among the Contracting Parties as follows:
