Director of Photography/ Camera Operator / Feature Films & Documentaries, TV, & Commercials

Summary of Qualifications: With over 25 years of professional experience, Joseph (Joe) has worked across the industry on Commercials, TV, and Studio tentpole films. His work spans several genres, focusing primarily on action and movement cinematography. Always experimenting with new techniques, he enjoys collaborating and telling a great story through the lens. Joe is part of a specialty camera and stabilized platforms development team that manufactures a global shutter action/VR camera and the stabilized Roll Axis Mini gimbal.

He is a master behind the camera, and his work speaks for itself. His film operating credits include *"Black Swan," "Iron Man," "The Fast and the Furious," "Deep Impact," "Spider Man-2,"* and *"Live Free or Die Hard,"* to name a few.

Joe has produced and directed his own series titled *"Motorcycle Masters,"* and has been featured as *Director of Photography* on multiple national add-campaigns, including the *"Alfa Romeo: Giulia"* *"Jaguar: Villains"* series.

Super Bowl Commercial Operator Credits: *"Kia - Steven Tyler's Back-in-Time," "Budweiser - Blowin In The Wind,"* and *"Jaguar - XSR-F Mark Your Territory" (DP/Op)*
