IV Honors Component (daily grade based on the required book. This assignment is due on Monday, August 23, 2021)

Directions: Choose five different quotes from the required book. Write out the quote using appropriate MLA formatting (intext citations and a Works Cited page). Then write one short paragraph for each quote explaining who was speaking, who was being spoken to and the significance of the quote.

PARENTS AND STUDENTS PLEASE NOTE:

- As a Christian, a person may wonder, “Should Christians study the classics of literature?” Christians should be aware that man’s writings reflect his inner thoughts. This can be seen throughout a study of literature and the authors’ lives. If we look at secular literature (classics) through discerning eyes, our own faith and testimony can be strengthened. The selections chosen for the reading list are either classic in nature or carry strong literary merit. Trinity Christian Academy cannot be responsible for all content in every selection.
- Please be advised: copied, summarized, or paraphrased information from an internet source or any other source that is not properly documented is unacceptable. **THIS IS PLAGIARISM!** The writing portion of the Summer Reading Assignment is meant to be the students’ own thoughts and ideas and should not be researched from any outside source. If the student uses a quote from the book, please be sure to include the quotation marks as well as the page number from the book in which the quote was found.
