"Architectural Decorative Elements"

FLORAL ARTS by Architectural Bling

GLASS-LIKE WALL & CEILING SCULPTURES

ORIGINAL ARCHITECTURAL ART

Luminous Casino Installation: Lightweight, flexible, and vibrant ceiling sculptures engineered as dramatic lighting focal points for high-impact commercial spaces.

Lightweight & Durable

Glass-like aesthetics without the fragile weight. Safe, highly flexible, and resilient for complex overhead mounts.

Tailored Atmosphere

We work closely with interior design teams to formulate custom neutral or vibrant color palettes for any concept.

Simple Installation

User-friendly, cost-effective mounting systems engineered for seamless deployment across large or small scales.

Architectural Bling, Inc. | 4020 N MacArthur Blvd #122, Irving, TX 75038 | 214.613.2285 | ArchitecturalBling.com

Commercial & Hospitality Applications

Resort & Institutional Lobbies

Expansive overhead installations that capture daylight and integrated lighting to create inviting, colorful focal points.

Healthcare & Public Spaces

Sustained, calming visual elements designed for wellness centers, multi-story glass balconies, and corridors.

IDEAL ENVIRONMENTS: Casinos | Healthcare | Resorts | Commercial Lobbies | Institutions

Versatile Color Formulations

From soothing oceanic blues and subtle neutrals to energetic jewel tones, sculpted to match exact brand themes.

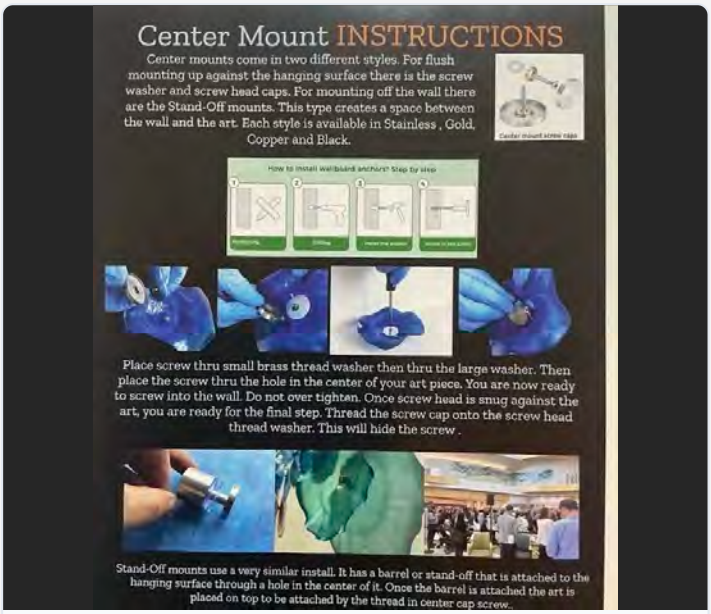

Tactile Glass-Like Finish

Organic, hand-crafted textures that cast rich dimensional shadows and light patterns across adjacent surfaces.

Technical Specifications & Installation

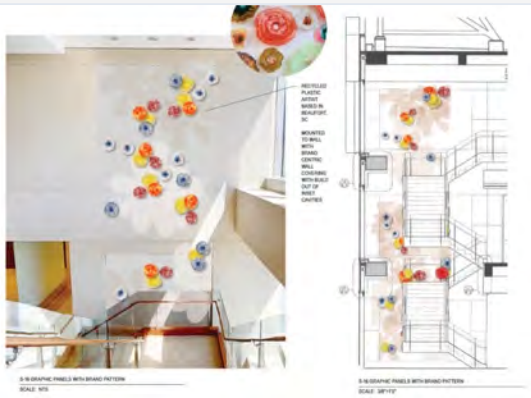

Engineered Center Mount Systems

Supplied with hardware options for flush wall mounting or stand-off positioning. Available in Stainless, Gold, Copper, and Black finishes.

Design Collaboration

We partner directly with architects and interior designers from concept through layout planning to produce scale-accurate installations.

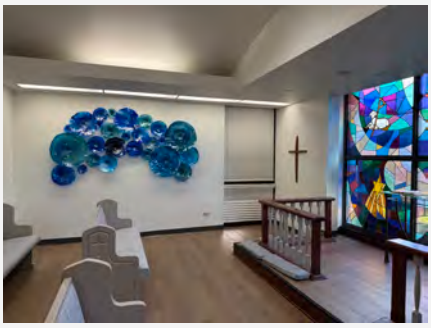

Scaled Architectural Layouts

Precision mounting templates and wall-covering elevation schematics provided for contractors.

Product Description

RPET rolls are designed for packaging applications. It offers a high clarity, impact resistant solution, with gauges ranging from 0.010" to 0.055". Based on an independent review by Keller & Heckman LLP, a law firm that specializes in evaluating the regulatory status of food-contact articles, Spartech's thermoformable sheet may be used in contact with all food types under hot-filled and less severe temperature conditions, including microwave reheating, in full compliance with the Federal Food, Drug, and Cosmetic Act and applicable FDA regulations.

Technical Properties

Property	Test Method	Value•
Specific Gravity	ASTM D-792	1.27
Rockwell Hardness (R Scale)	ASTM D-785	> 90
Tensile Stren11th	ASTM D-638	7,900 osi
Flexural Stren11th	ASTM D-790	11,500 osi
lzod Impact (Notched) 72°F	ASTM D-256	1.7 ft-lbs/in
lzod Impact (Notched) -20° F	ASTM D-256	0.7 ft-lbs/in
Vicat Softeniniz Temoerature	ASTM D-256	74.5 ·C
Heat Deflection Temperature (@66 psi)	ASTM D-648	158 °F
Flammability	UL 94-HB	Passes at >0.010"
