FRETWORK

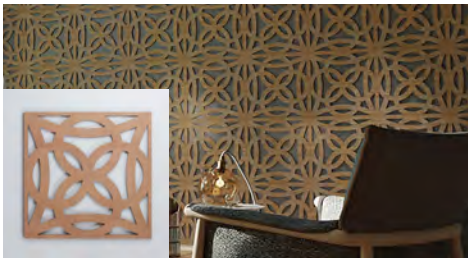

Transform any space with our innovative line of fretwork panels. Wall paneling that previously required weeks of a skilled craftsman can now be designed online in minutes, shipped within days, and installed within hours.

Infuse personality into the project with our DIY Fretwork for an elegant or playful point of interest. Overlay the panels on a dark wall for a bold contrast or paint the same color as the wall but with different sheen for a subtle 3D effect. Create a unique space and elevate your wall or ceiling into a work of art. Available in over 60 designs, 8 materials, 4 sizes, and multiple thicknesses, pick the perfect combination for you.

A modern bathroom interior featuring a wall of wood mosaic tiles. The tiles are arranged in a repeating geometric pattern of squares, each containing a smaller square rotated 45 degrees, creating a complex, three-dimensional effect. To the left, a wooden ladder holds several white towels and a basket of toiletries. In the foreground, a white, curved bathtub is partially visible. The floor is made of dark wood planks.

MOSAIC TILES

Wood mosaic wall tiles provide a unique, modern alternative to standard flat wall textures. The panels create interesting patterns, elaborate works of art, or memorable feature walls and ceilings.

Create an attractive focal point with decorative reclaimed wood tiles. These mosaic style tiles offer 3D detail that brings sophistication to your setting. The durable construction ensures not only lasting beauty, but a simple and easy installation.

BRACKETS & BRACES

Instantly transform a room with inspired open shelving, or customize a pantry, closet, or cabinet with old world charm, rugged rustic flair, or minimal sleek style. Create a striking contrast against paint, wood or wallpaper.

Enjoy the warmth and beauty of authentic hand-carved hardwood brackets and corbels. Or maybe our non-wood brackets are a better fit—perfect for exterior applications such as, roof eaves, porches, and entryways. Our low maintenance brackets will save you time and money for years to come. Looking for something unique? We also make rustic wood, wrought iron, and stainless steel brackets. No matter your application, we have the bracket for you.

CORBELS

Corbels can make a dramatic difference in kitchens, bathrooms, entryways, fireplace surrounds, and more.

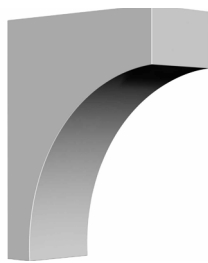

Corbels are a wider and often more decorative form of a bracket. Commonly used on range hoods, under cabinets and counter tops, on entertainment centers, in entryways, or even on the exterior trim of a house, corbels are a great way to add support or simply add a beautiful aesthetic. With our huge collection of wood, PVC, and urethane corbels, you are sure to find the perfect one for your project.
