RAVE REVIEWS

"What a great company to deal with. The items are well made, well packaged, and shipped quickly. The company is a breeze to work with."

Michael S.
Huntsville, AR

"To meet the custom and specific needs of commercial properties in a timely and professional manner is something that is priceless in our line of work. Architectural Bling not only met our demands but exceeded them, and most importantly delivered in perfect time to install and meet our customer's demands. We are completely satisfied and our customers are completely satisfied. You cannot beat that combination of satisfaction!"

Alejandro S.
Houston, TX

"Architectural Bling's delivery is 'amazon-quick' and priced reasonably. The product quality is excellent and the service is really extraordinary. I wish I was always so lucky on "out of amazon" experiences."

James H.
Boston, MA

"Architectural Bling provided an easy solution for a $3.5 million construction project where the architect didn't know what to use. This was easy and efficient and reasonably priced."

-Frederick R.
Baltimore, MD

ARCHITECTURAL GRADE PVC

PVC FRETWORK PANELS

Create an alluring focal point with decorative fretwork panels. Intricate flourish details bring sophistication to your setting with durable construction and lasting beauty. These artisan panels provide a unique, modern alternative to standard wall textures. These PVC panels are the newest and easiest way to create whimsical patterns, elaborate silhouettes, or memorable feature walls and ceilings.

Our panels are available in two sizes allowing for limitless design options and creativity. PVC is waterproof, dent-resistant and lightweight making installation ideal for both interior and exterior, residential and commercial applications. Especially created for spaces where moisture is an issue, they can stand up to any condition and aren't prone to peeling, warping or bubbling; making them virtually maintenance free. They were built for homes and community spaces where people move, explore and live life.

PVC ENDURAWALL 3D PANELS

Why have ordinary walls like everyone else, when you can create a masterful work of art with decorative 3D wall panels. For centuries, homeowners and designers alike have desired fresh alternatives to standard wall textures. 3D wall panels are the newest and easiest way to create playful bold patterns, simple silhouettes, or memorable feature walls and ceilings.

The durable PVC is waterproof, dent-resistant and lightweight making installation options limitless for both interior and exterior, residential and commercial applications. Especially created for spaces where moisture is an issue, they can stand up to any condition and aren't prone to peeling, warping or bubbling, making them virtually maintenance free. They were built for homes and community spaces where people move, explore and live life.

PVC ROSETTES& PLINTHBLOCKS

Upgrade your trim quickly and easily with professional looking results. Use our rosettes as a decorative addition with any window or doorway moulding and casing. Used as a transition piece or corner block, they are easy to install and eliminate the need to miter difficult angles on moulding.

Our rosettes are the perfect accent pieces to cabinetry, furniture, fireplace mantels, ceilings and more. Use them to draw attention away from the seams of moulding or enhance plain projects with our elegant designs. Available in multiple heights to match traditional and modern profiles.

PVC CONTEMPORARY CEILING MEDALLIONS

Ceiling medallions offer a great opportunity to upgrade a plain light fixture or ordinary ceiling space to an extraordinary focal point. These quick install and affordable additions come in a vast range of sizes, shapes, and styles. Our contemporary medallions are jewelry for the home. When paired with a ceiling ring or complimentary moulding, they compose a grand effect. Throw in a sparkling chandelier, modern pendant, or fun ceiling fan and the combination creates the perfect signature look.

With round, diamond, oval, square and rectangular designs, there is something for everyone's preference. Even dream up and inspire an original piece of wall art with creative applications. Why waste space with a dull fifth wall, when you can makeover your ceiling space into something more wonderful.

PVC PIERCED CEILING MEDALLIONS

Combining historical inspiration with modern technology, our faux iron designer medallions provide the look and feel of cast iron with greater versatility than metal. They are lightweight, custom-made, and easy-to-install. Perfect for most interior lighting decor solutions. Each medallion is hand-painted in a beautiful metallic finish that compliments any fixture or ceiling fan. The PVC material offers durable, interior or exterior application ability that will not rust or fade. Our medallions provide a sophisticated focal point and an affordable upgrade that make a huge impact. With modern, contemporary, and elegant design options available, there is something for everyone's taste. The lightweight material makes them perfect for wall decor too.

ARCHITECTURAL GRADE PVC

PVC millwork has produced a profound change in construction. As standards shifted to needing more durable lifetime products, we developed a vast line of standard PVC products, as well as an entire collection of custom PVC millwork. From small corbels to massive historical reproductions, the Architectural Grade PVC line is the perfect solution to your project's carpentry needs.

Innovative PVC manufacturing processes allow us to create one-of-a-kind products that would be difficult for traditional carpenters to replicate. While providing none of the negative aspect of wood; it can be cut, drilled, nailed, glued, and screwed just like wood, providing greater workability and fast installation.

DESIGN YOUR OWN

High-density PVC is perfect for pilasters because it looks, feels, installs, and paints just like traditional wood, plaster or cement pilasters. This broad product line is durable in harsh weather, resists insects and mold and doesn't splinter or rot and won't fade over time.

SURFACE MOUNT GABLE VENTS

Surface mount gable vents are easily installed for a quick upgrade that will add instant curb appeal. Available in functional vents with or without a metal screen and nonfunctional surface-mount vents for decorative applications only.
PVC has all the benefits of wood without the worry. Weather and insect resistant, PVC gable vents won't warp, rot, or deteriorate. Our PVC vents allow for lasting beauty for years to come. We offer a wide range of custom shapes and designs to accommodate any project need. Each gable vent is made-to-order for that signature style that will set your home apart from others.

Architectural Specifications

Architectural Bling Polyurethane

1.1 Product Description

1.1.1	Architectural Bling pounds per cubic foot. The Architectural Bling urethane process provides a greater skin density than core density for increased durability.
1.1.2	All products are manufactured with a white or semi-white color coating. Further, these products receive a primer coat finish before they are shipped to customers. The combination of the integral shell-like skin, the barrier coat, and the primer top coat provide an excellent substrate for durable finishes.
1.1.3	Ultra violet rays do not affect properly coated products.
1.1.4	The compressive strength of polyurethane products falls within the 300-400 P.S.I. range. (The parts are not intended for structural use).
1.1.5	The tensile strength of polyurethane products falls within the 350-400 P.S.I. range. (The parts are not intended for structural use.)
1.1.6	The degree of flexibility of any given polyurethane product is determined by the size and shape of its cross section.
1.1.7	Architectural Bling urethane has a closed cell structure which provides protection from most solvents and renders it almost completely hydrophobic. It will not rot.
1.1.8	All Architectural Bling urethane products do not support the growth of mildew and fungus and further provide no nutritional value for other organisms such as small rodents.

1.2 Submittals

1.2.1	Submit Architectural Bling urethane product data and shop drawings for customer approval.

2.1 Acceptable Manufacturer

2.1.1	Architectural Bling, Inc. 1410 G Avenue Plano, TX 75074 Phone: 214.613.2285 Email: Admin@ArchitecturalBling.com Web: ArchitecturalBling.com

3.1 Installation

3.1.1	Architectural Bling, Inc. urethane products are handled in the same manner as wood millwork.
3.1.2	Architectural Bling adhesives: refer to model PL Premium.
3.1.3	Fasteners refer to nails, screws, bolts etc.
3.1.4	Architectural Bling adhesives and fasteners must be used for installing all Architectural Bling products on concrete, metal, vinyl or wood. Adhesive must be used on all joints to ensure the beauty of your installation for years to come.

Architectural Specifications

Architectural Bling Polyurethane

3.2 Finishing

3.2.1	Architectural Bling, Inc. products are supplied with a white or beige primer base coat, ready for finishing top coat. A good quality exterior or latex or oil base paint may be used on rigid Architectural Bling product. The surface must be clean, dry, and free from all greases or waxes before all finish work has begun.

3.3 Warranty

3.3.1	Architectural Bling, Inc. warrants its urethane product upon the following conditions against defects in materials and workmanship for the product's lifetime when used and installed under recommended conditions. Purchaser and installer must inspect each piece prior to installation. Both parties waive all defects which could have been discovered by reasonable inspection prior to installation.
3.3.2	Warranty will automatically be void if Architectural Bling installation methods are not used as per section on Installation.
3.3.3	In the event claim is made under this warrant, Architectural Bling has the right to inspect the part and determine at their discretion, that the parts supplied are defective. Architectural Bling will repair, or if necessary, replace the defective parts if returned freight prepaid to Architectural Bling place of manufacturing. If Architectural Bling determines the parts cannot be repaired or replaced, Architectural Bling will refund to the distributor the amount paid to Architectural Bling for the said defective parts.
3.3.4	Architectural Bling shall have no liability to any person, firm, or corporation whatsoever for incidental or consequential damages such as but not limited to labor, finishing, parts damaged by freight carriers, freight, installation, lost profits, and lost sales or the like.
3.3.5	No purchaser may take any deduction or credit against any amount owed to Architectural Bling or make any charge back without the expressed written consent of Architectural Bling, Inc..
3.3.6	No purchaser may take any deduction or credit against any amount owed to Architectural Bling or make any charge back without the expressed written consent of Architectural Bling, Inc..

Architectural Bling® Thermoformed PVC Millwork General Information & Limited Lifetime Warranty

Architectural Bling warrants its line of P C products including those listed below, as follows

Architectural Bling warrants to the owner of a property on which any of the above products have been installed that they are free from manufacturing defects which result in crac ing, splitting, and excessive fading under normal weather conditions for a lifetime. This warranty is sub ect to the following limitations

1. The warranted product must have been installed in accordance with the manufacturer s installation instructions. Products not installed in this manner will not be warranted.

2. Architectural Bling shall solely determine whether the product was installed according to its installation instructions.

3. In the case of a claim of excessive fading, the homeowner is advised that some degree of fading over time is expected. Therefore, Architectural Bling shall solely determine whether the amount of fading in any particular case is excessive. Architectural Bling will not be held responsi-ble for fading, peeling, cracking or any other deterioration of finishes applied by any third parties.

4. The owner shall have the burden of establishing to Architectural Bling s reasonable satisfaction the date of purchase of the product on which a claim is made.

5. In the event of a claim during the warranty period, Architectural Bling at its sole option will either a repair or replace the warranted product s without charge to the owner, or b if Architectural Bling is unable to repair the product in a commercially reasonable fashion and if Architectural Bling is unable to replace the product for example, because it has been discontinued , or notwithstanding that the product may be repaired or replaced, the homeowner nevertheless chooses to accept a refund, Architectural Bling will refund to the homeowner a sum e ual to the actual price paid for the product at the time of purchase less reasonable depreciation from the date of purchase, which shall be determined as outlined above, to the date of the claim.

6. This warranty excludes reasonable travel expenses and labor charges incurred by Architectural Bling and/or its contractors in removing and/or replacing a warranted product.

7. If Architectural Bling attempts a reasonable number of times to repair a defective product under this warranty but those attempts are unsuccessful, Architectural Bling at its option may either replace the product or pay a refund to the homeowner as provided above.

8. This warranty will not cover claims for the following a damage to or failure of a warranted product resulting from acts of the owner or the installer, b damage to or failure of the product resulting from unreasonable use or the failure to reasonably maintain the product after the date of purchase.

Architectural Bling® Urethane Millwork General Information & Limited Lifetime Warranty

Before you use or install any Architectural Bling urethane products, please review the information below. Architectural Bling urethane products:

- Should be used for decorative applications only (unless clearly stated otherwise in catalog)
- Easier to repair than wood. With the use of wood filler or automotive filler, dents or gashes of any size can be quickly filled.
- Will resist all natural elements, except for direct sunlight to the unpainted yellow/tan underside of the millwork. Urethane products must be properly painted within 30 days of installation. We recommend painting the product before installation and touching it up after installation is completed. Exterior products must be painted with an exterior grade 100% acrylic latex paint and UV protectant as needed.
- It is important to fill damaged or cut surfaces within a few days.
- Withstand temperatures of above 140°F.
- Should never be installed with mechanical fasteners only. Best installation requires non-corrosive fasteners along with urethane base PL Premium Adhesive.
- Smaller molding profiles should not be stored in extreme heat. Architectural Bling urethane products should be acclimated for two days prior to installation.
- May require altered installation procedures to meet local specifications. Please check local building codes prior to installing.

Architectural Bling Urethane Millwork Limited Lifetime Warranty

Architectural Bling provides a LIFETIME WARRANTY to the original purchaser of our line of urethane millwork. This LIFETIME WARRANTY provides that the urethane material will be free from manufacturer defects in material and workmanship under approved normal use.

If a defect is discovered in an Architectural Bling urethane product and the above conditions have been met, the customer should notify us in writing within thirty (30) days of discovering the said defect. The customer may be required to return the product to Architectural Bling for evaluation when applicable. Architectural Bling will then review the product and installation methods, and determine if replacement, repair, or refund is appropriate. This warranty does not cover or include labor, transportation costs, or any other expenses incurred in connection with the purchase, use, or installation of the item(s). Replacements, repairs, or refunds are the only options under this limited warranty.

Architectural Bling defines seacoast as within three (3) miles from a coastal seashore. If you live in a seacoast environment, the warranty coverage is different for certain product components due to environmental factors, such as salt spray and other abrasive materials. Additional maintenance including preferred coatings is required in a seacoast environment.

This limited warranty does not cover damage from the result of mishandling in transportation, acts of God, customer modifications, vandalism, misuse, abuse, improper maintenance, unreasonable care, or other causes that did not arise from manufacturer defects in workmanship and/or materials. No person, retailer, sales rep, dealer, service facility, or entity of any type is authorized to change, modify, or amend the terms of this limited warranty in any manner. Architectural Bling shall not be liable to the customer or to any other entity for any incidental or consequential damages or loss of profit from any defect in any items.

Architectural Bling® PVC Millwork General Information & Limited Lifetime Warranty

Terms: Subject to the terms and conditions of this Warranty, Architectural Bling warrants to the Homeowner that PVC products are free from manufacturing defects in material and workmanship if installed according to our installation instructions, and will not rot, peel, flake, corrode, blister, split, chip, fade excessively or fade unevenly when exposed evenly. While you own your home, this Warranty will remain in effect for your lifetime. This warranty is not transferable. Architectural Bling reserves the right to discontinue, modify or otherwise alter any of its products, including color, without prior notice. This Warranty is made exclusively and specifically to the person(s) who both owns and continuously resides in the home on which the products are installed (herein "Homeowner") if that person is the original purchaser of Architectural Bling's product(s) covered under this warranty. This warranty is also made to a Homeowner who purchases a newly constructed residence on which the product is installed directly from the builder. Where Architectural Bling's product(s) are installed on a structure (i) not occupied exclusively by the Homeowner (including his or her immediate family), (ii) used for income producing purposes, or (iii) used in a public or semi-public application, such as (but not limited to) a condominium, apartment building, house of worship, school, medical facility, senior living facility, government building, hotel, etc., then the warranty is made solely to the original owner of the structure ("Commercial Owner") and is not transferable.

The term of the Commercial Owner's warranty is 50 years, prorated below. If Architectural Bling determines that its product(s) have a manufacturing defect covered under the Terms of this Warranty, Architectural Bling will at its option, either (1) refund the purchase price of the material, or (2) replace any product it determines has a manufacturing defect. In no event shall ABling be responsible for any labor charges. In the event of repair, replacement, refinishing or coating, the warranty applicable to the original product(s) shall apply to the repaired, replaced, refinished or coated product and will extend for the balance of the original term of the warranty period. These remedies are the sole remedies for any defect of the product.

Normal Weathering is defined as exposure to ultraviolet sun light and extremes of weather and atmosphere, which will cause any colored or painted surface to fade, darken, chalk or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, the geographic location of the property and other local conditions over which ABling has no control. ABling shall determine, at its discretion, whether the siding is suffering from normal weathering (which is not covered by warranty). This conclusion shall be based on whether the product(s) evidences a change in color in excess of the Hunter Units as calculated according to ASTM D2244, as outlined in the chart herein. Product(s) must have been exposed to the same weathering conditions and not partially covered by other materials such as shutters, awnings, porticos or other materials.

Owner	Normal Delta E	Proration Schedule
Original Homeowner	4	100%
Commercial Homeowner	4	Follows product coverage above

THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, LIABILITIES OR OBLIGATIONS OF ARCHITECTURAL BLING, INC, EITHER EXPRESSED OR IMPLIED, EXCEPT THAT THE DURATION OF ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN TIME TO THE DURATION OF THIS WARRANTY. ARCHITECTURAL BLING SHALL IN NO EVENT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL OR SPECIAL DAMAGES OF ANY KIND. YOUR EXCLUSIVE REMEDY SHALL BE ENFORCEMENT OF THIS WARRANTY UPON THE TERMS AND CONDITIONS HERIN CONTAINED. NO REPRESENTATIVE OF ARCHITECTURAL BLING OR ITS DISTRIBUTORS OR DEALERS IS AUTHORIZED TO MAKE ANY CHANGE OR MODIFICAITON TO THIS WARRANTY.

Some States do not allow limitations on how long an implied warranty lasts, so the foregoing limitation may not apply to you.

Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Architectural Bling PVC Millwork Limited Lifetime Warranty

Architectural Bling provides a LIFETIME WARRANTY to the original purchaser of our line of PVC millwork. This LIFETIME WARRANTY provides that the PVC material will be free from manufacturer defects in material and workmanship under approved normal use.

Architectural Bling's warranty covers only manufacturing defects identified above. This warranty does not cover damage caused by other factors, including but not limited to: normal weathering (defined below), misuse, negligence or improper installation, failure to provide reasonable maintenance to prevent accumulation of dirt, mildew, staining materials, pollution, exposure to chemical products or incompatible cleaners, alterations like applying incompatible coatings, stains or varnishes (see technical information for compatible coatings if any), improper handling or storage, defects in the wall structure (materials or construction) on which Architectural Bling's products are installed which cause failure, such as movement, cracking or settling of the wall, foundation or building, deformation caused by high heat sources including but not limited to grills, fire pits, foil sheathing, low e-glass windows and low e-glass doors, damage caused by animals or insects, impact of foreign objects, hail, lightning, fire, hurricane, tornadoes, or other Acts of God, vandalism, intentional damage, riot or insurrection.

The claimant must provide date of installation and proof of property ownership. The claimant may be required to submit a sample of the defective materials for analysis. This sample may need to be removed from the property at the property owner's expense. Architectural Bling will analyze the material claimed to be defective and determine the validity of the claim.
