" Architectural Decorative Elements "

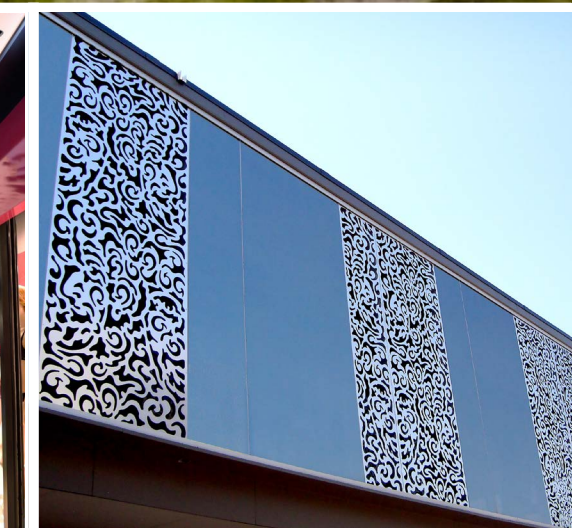

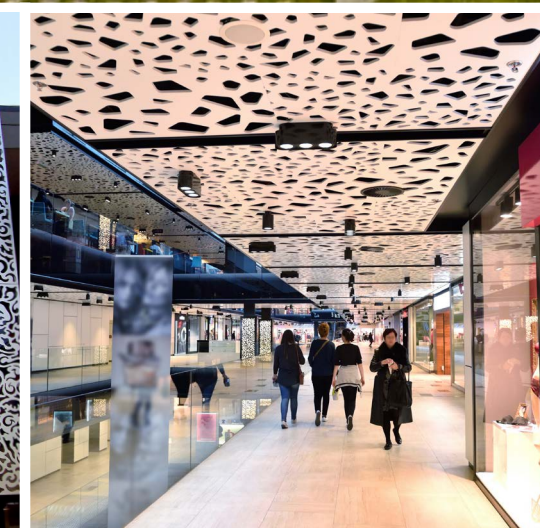

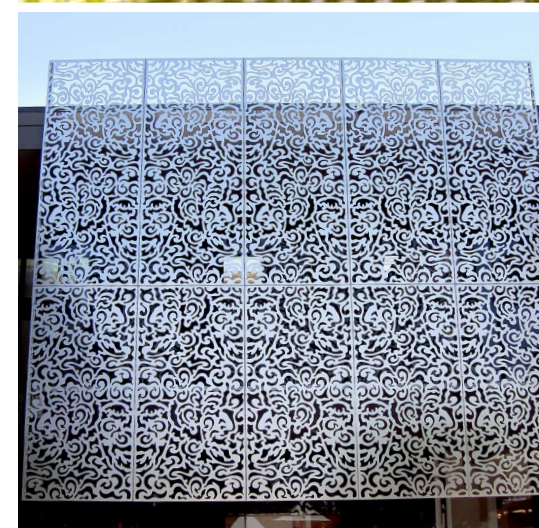

*Architectural & Decorative Panels*

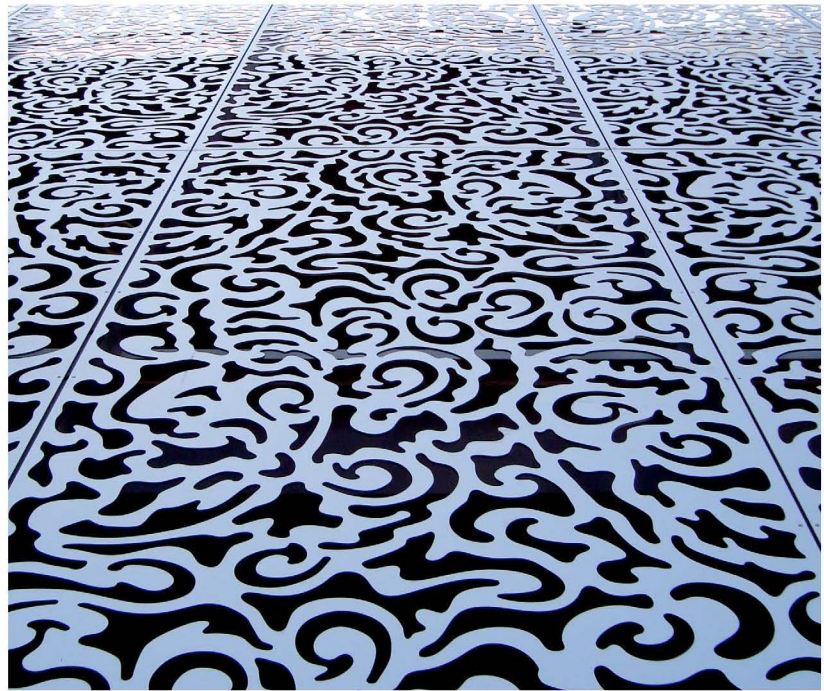

## *Unique Artistic Panels*

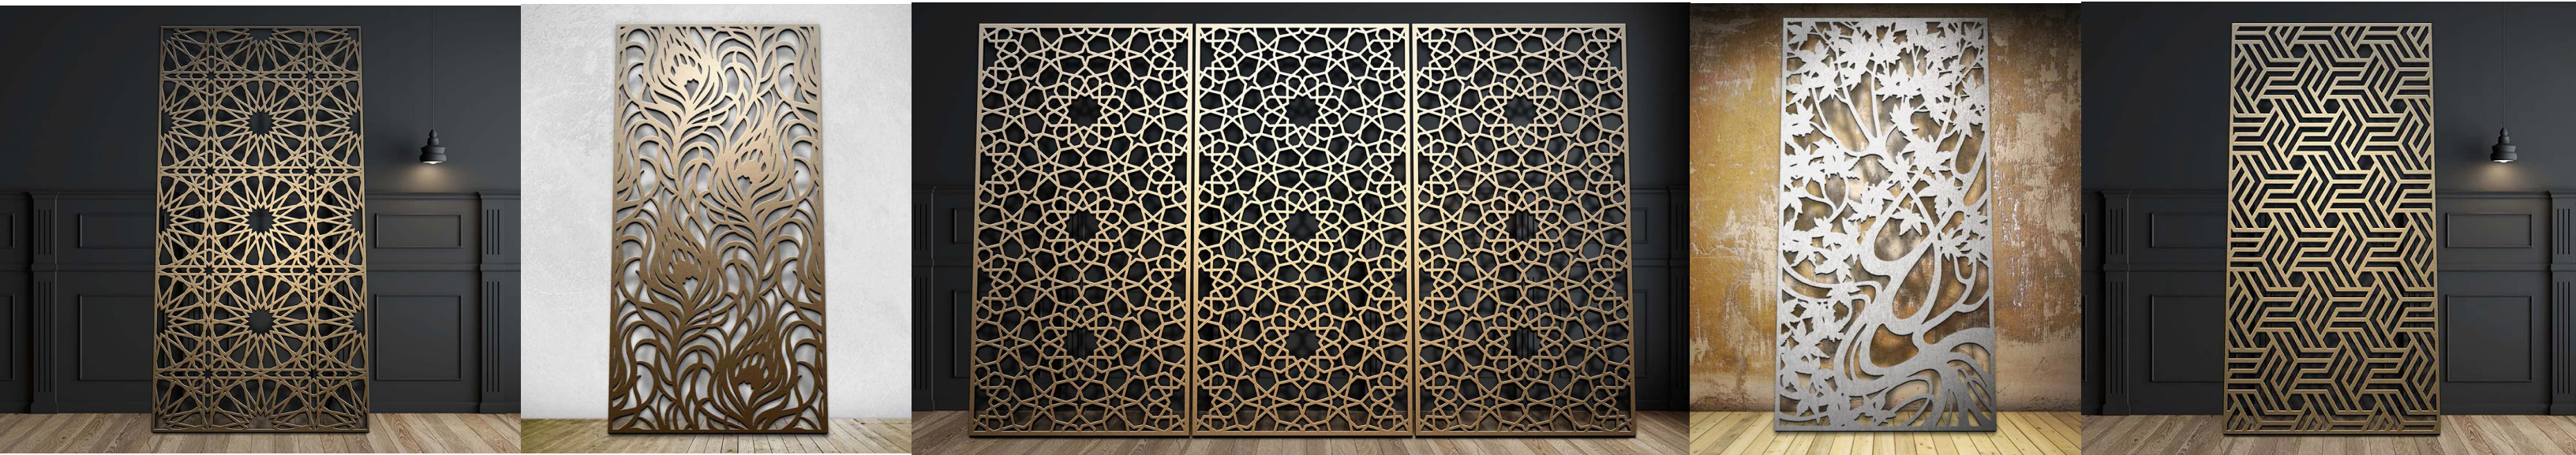

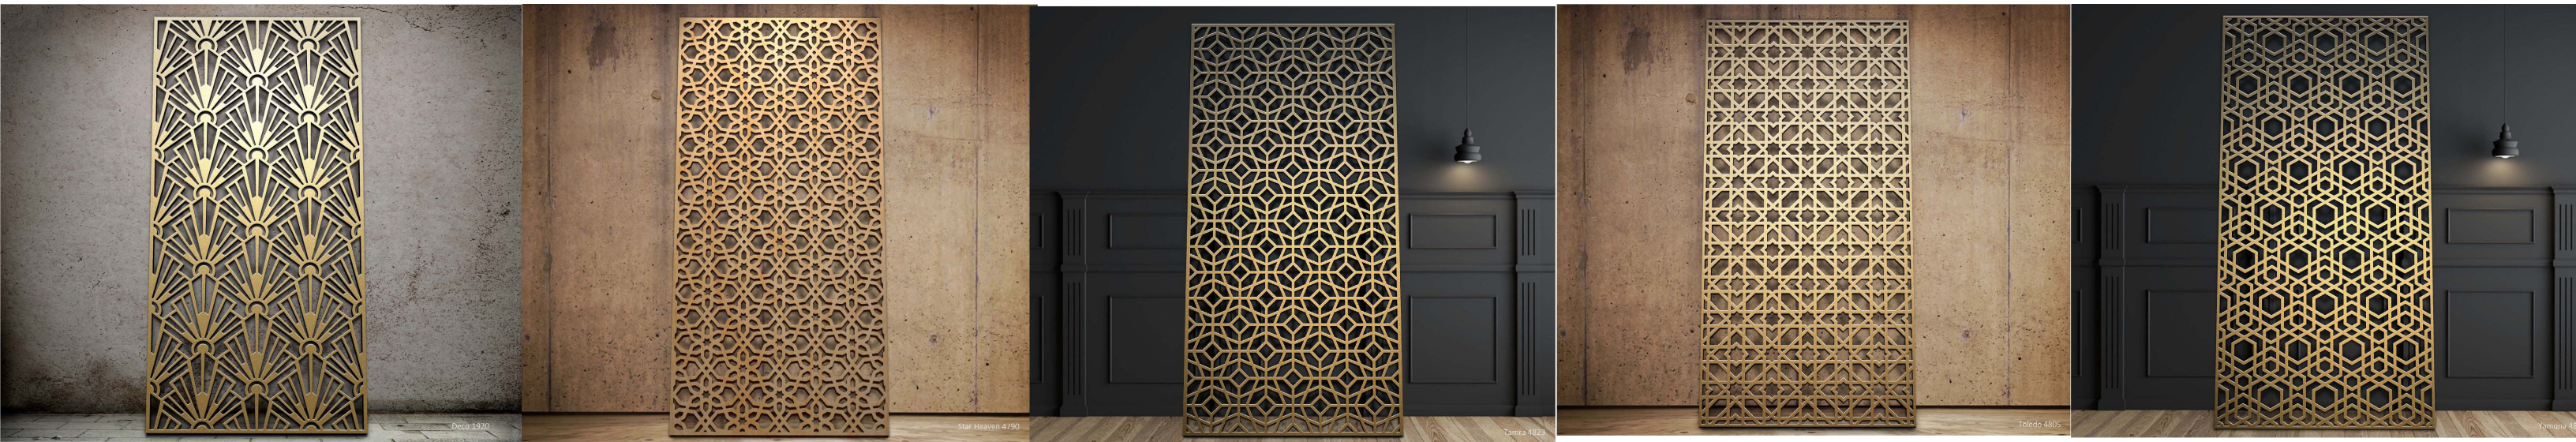

Architectural Bling Artistic Panels specializes in the creation of decorative perforated panels used to enhance exterior and interior spaces. Our panels give meaning to the term “form and function”, as they provide customers with decorative beauty while also serving practical purposes. Architectural Bling Artistic Panels can be used in Residential, Commercial, Hospitality and Retail applications, tailor-made to client specifications, and shipped worldwide.

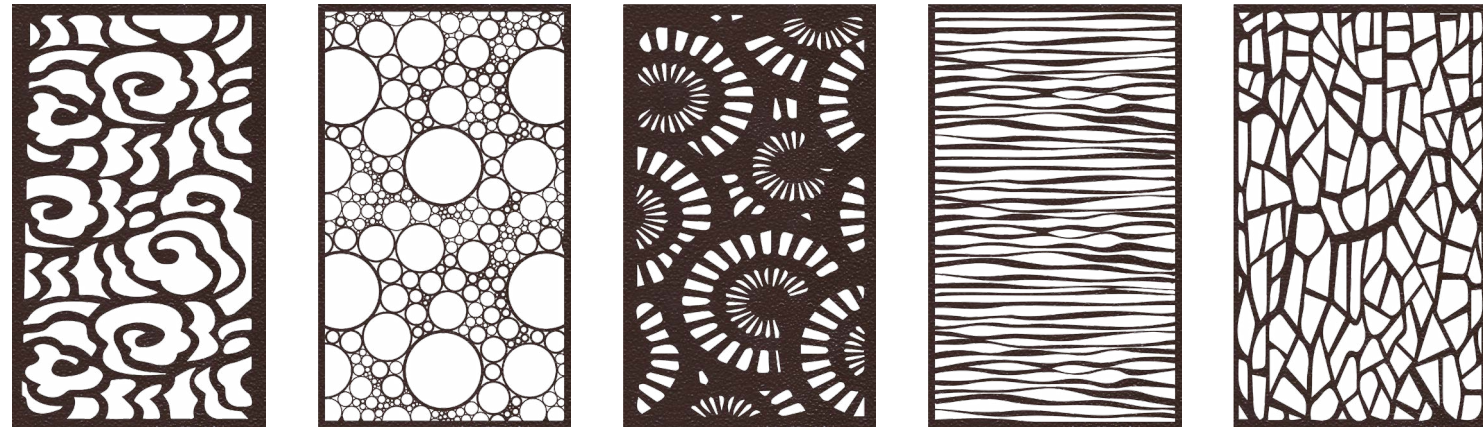

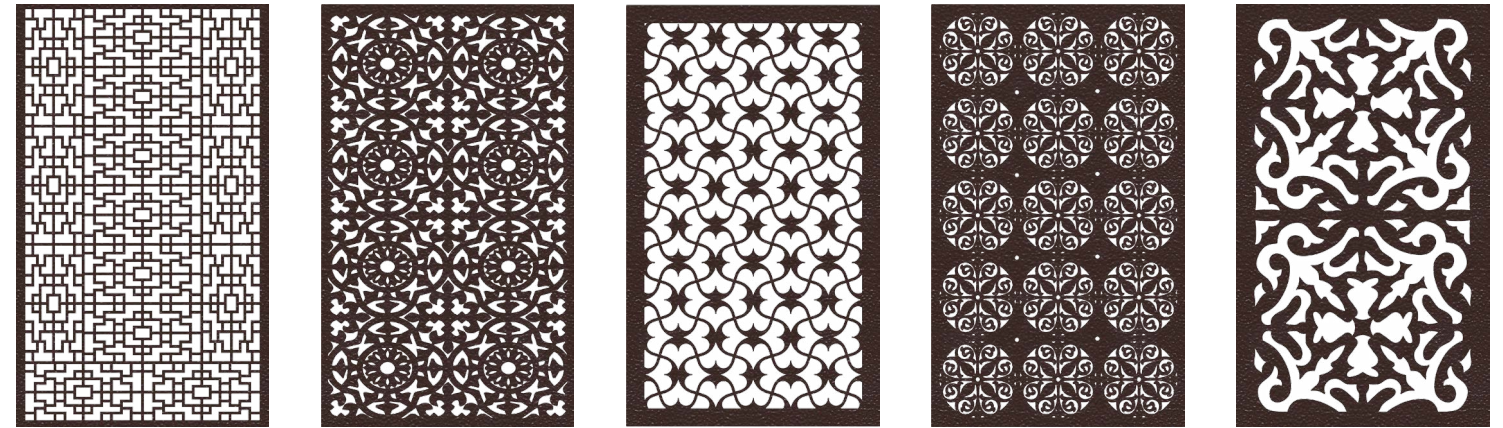

*Abstract*

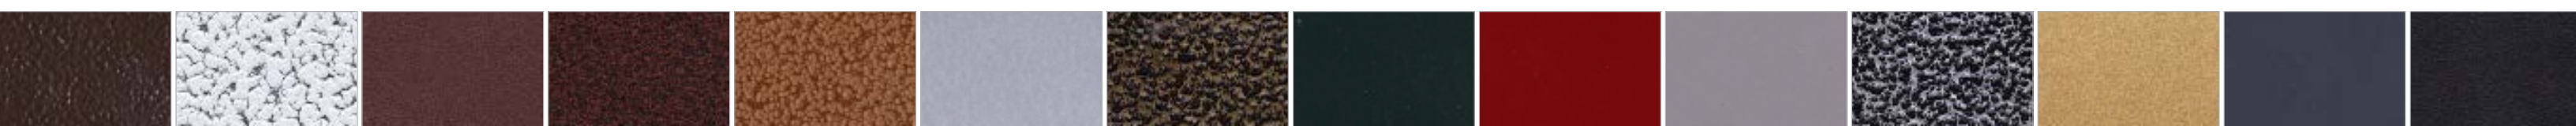

*Cultural*

*Tailored to fit your style*

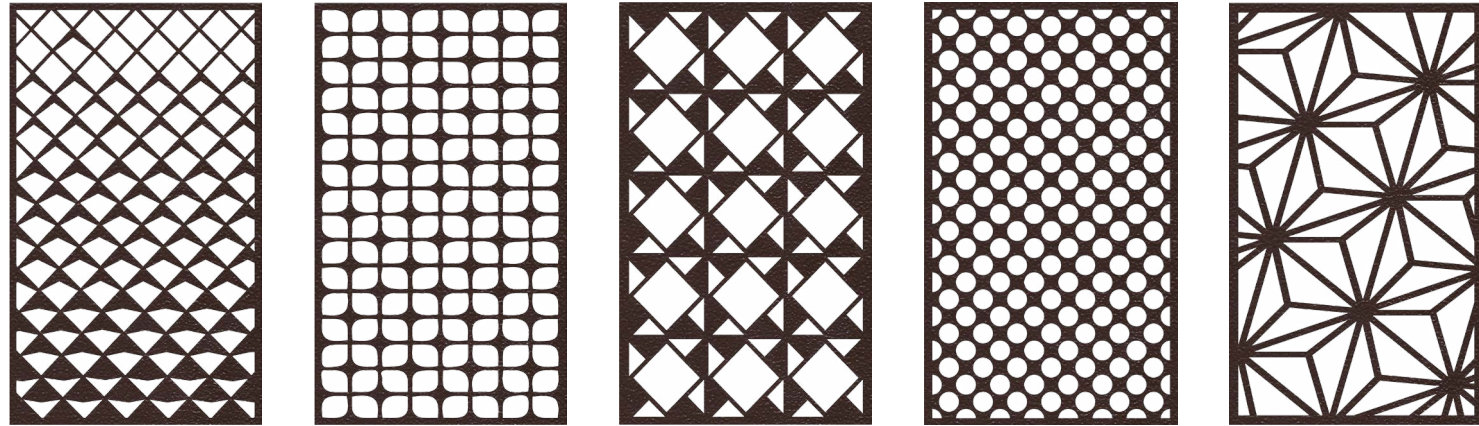

Enclosed you will find a very small sampling of our hundreds of patterns which are available in geometric, abstract, natural and cultural themes, or we can work with you to create something tailor-made to your specifications.

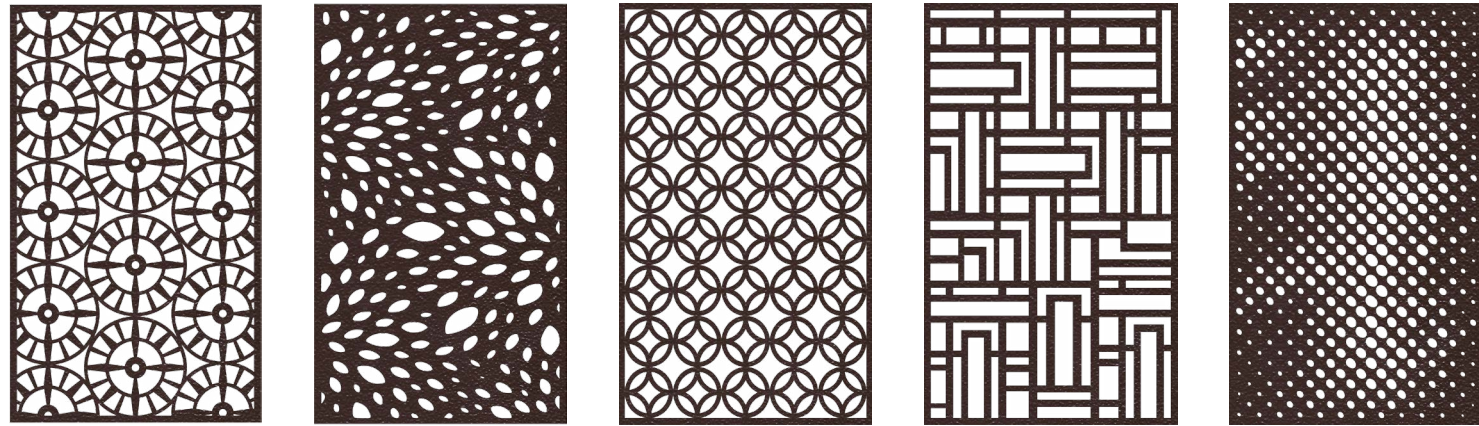

*Geometric*

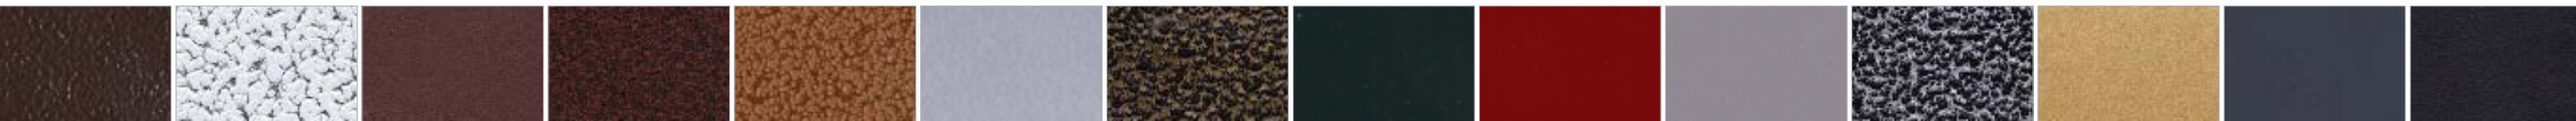

*Natural*

*High quality materials*

Architectural Bling Artistic Panels can be made from various materials including aluminum, steel, corten steel, wood, composites, and more.
