Senior Living
Multi Family
Health Care

NewTechWood by **Architectural Bling** uses select, recycled, high-density plastics, combined with recycled wood products, to create a composite wood substitute that drops your energy footprint to zero.

NewTechWood by **Architectural Bling** is made from recycled materials, and it's 100% recyclable down the line.

When you want the look of real wood, but you don't want the headaches of maintaining that beautiful façade, NewTechWood by **Architectural Bling** solves the problem.

NewTechWood with **Naturale** lasts longer, requires less maintenance, and it puts recycled materials to good use creating the natural look of wood without all the work.

DECKING

UltraShield® DECKING BOARDS WHAT'S YOUR CHOICE?

Available in solid and hollow profiles for both residential and commercial applications, **UltraShield®** by **Architectural Bling** delivers attractive good looks and durability to handle the heaviest traffic.

All **UltraShield®** decking is wrapped 360 degrees – including the grooves - for even greater durability!

Our solid, square-edge decking installs using composite screws, while all other options employ hidden fasteners for quick, secure installation.

SO MANY CHOICES

UltraShield® delivers a simple, do-it-yourself solution for unsightly spaces, like concrete balconies, or cement patios.

Turn dull areas into stylish outdoor living spaces no matter where you live. **UltraShield®** deck tile stands up to any weather – and that's guaranteed.

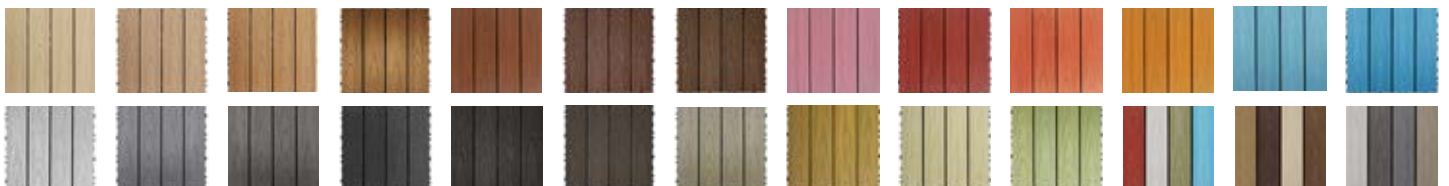

Turn that concrete slab into an elegant floor wrapped in the look of exotic hardwood that will be sure to catch everyone's eye.

UltraShield® deck tiles are highly-stain resistant and ultra-low maintenance so you enjoy your outdoor living space more with each passing season.

Choose from the full palette of **Naturale™** colors to create the perfect look for your perfect space. Installs simply using an inter-locking TPO polymer matrix base and stainless steel screws. All you need is a screwdriver!

Completely flexible locking system that can be secured from any side. **UltraShield®** deck tiles adapt to your needs, not the other way around.

Matching fascia and trim is available to complete your style statement.
