About the Company

Architectural Bling has partnered with a custom design manufacturing supplier that provides a complete solution to any creative project in the hospitality, residential, retail, office, and/or multi-living settings.

It is our mission that our customers receive a seamless experience in design, the best quality, and the fastest delivery time in the industry.

With the company's ability to manufacture products on site, in Houston, TX, it allows us to closely monitor quality assurance, while offering the fastest turn around time with materials that are domestic with no logistic delays.

In providing the complete solution, our diverse team offers many services to help take your idea from inception to creation. By infusing our inspiration in the timeless styles of yesteryear with the latest trends in interior design, we make it our duty to offer you a superior, USA made, product at an affordable price.

ACCENT WALLS

GIVE YOUR ROOM A NEW LOOK

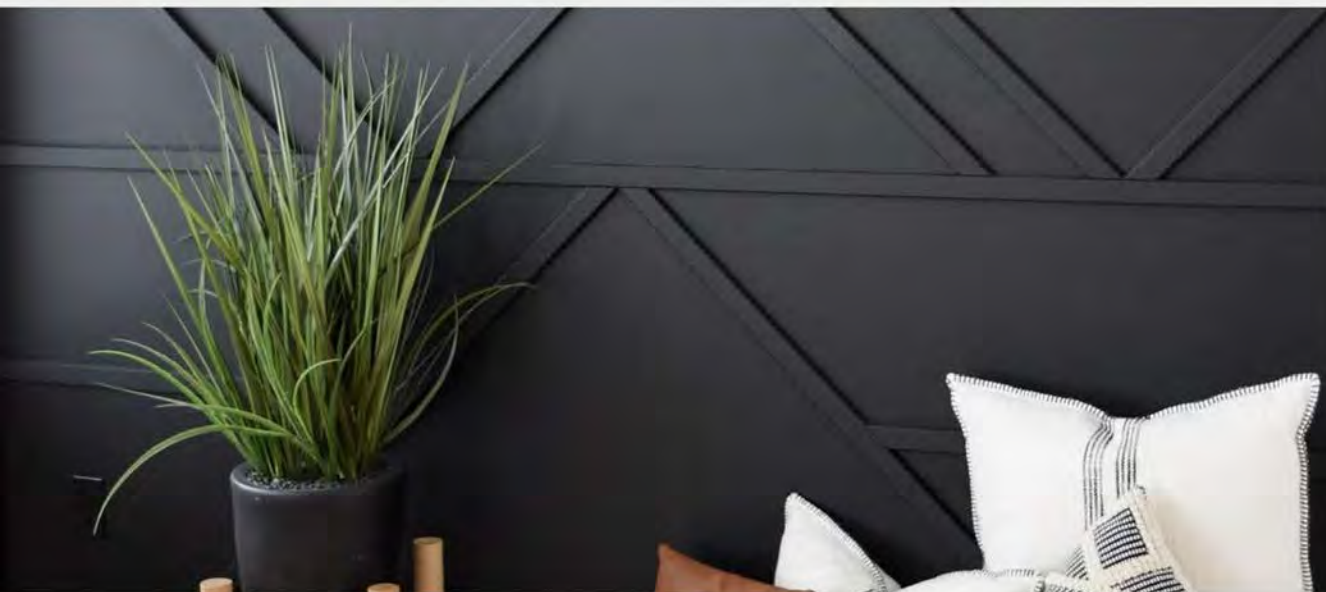

By blending texture and tone, you can create a unique space that becomes the centerpiece of any room. With any project, we offer custom opportunities to take your idea from inception to reality.

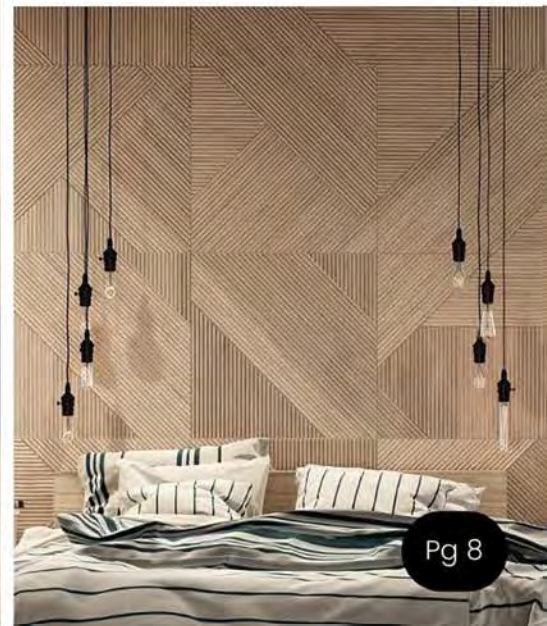

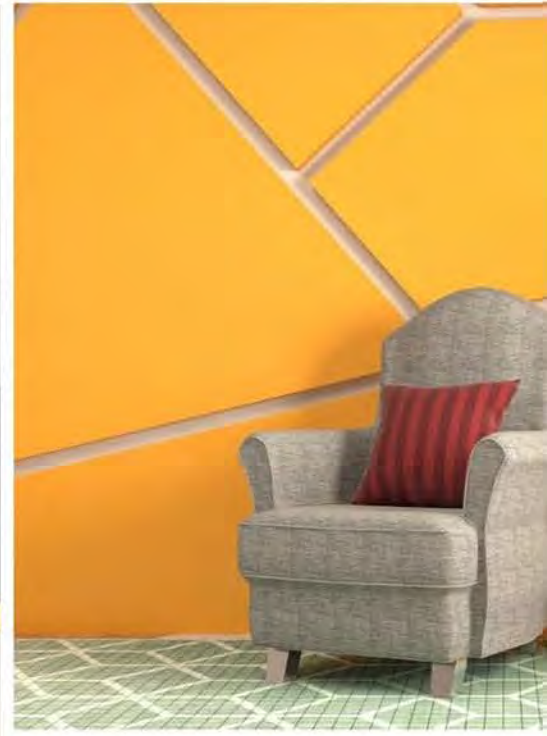

WALL TILES & PANELS

WALL TILES AND PANELS PROVIDE A UNIQUE, MODERN ALTERNATIVE TO STANDARD FLAT WALL TEXTURES. WITH SEVERAL CUSTOMIZABLE PATTERNS TO CHOOSE FROM AND EASE OF INSTALLATION, THEY ARE A UNIQUE FIT FOR YOUR NEXT PROJECT. CAN ALSO BE INSTALLED ON DIFFERENT TYPES OF SURFACES INCLUDING TEXTURED WALLS, BACKSPASHES AND CEILINGS.
