Structure Specifications

Timeless Iron is the elegant way to create your inspiring environment. We work with architects and designers across the county to continually deliver windows and doors of exceptional quality. While we offer standard framing construction, we manufacture all of our products so we can create completely custom frames for specific design needs.

Custom Hand Finishes

All of our products receive the highest standard anti-rust treatment so their beauty will be –in a word – timeless. We use heavy-duty sandblasting, pure hot zinc galvanizing and a premium zinc primer. Each custom piece is finished with an environmentally friendly magnetic paint for top coating and hand faux finishing. Timeless Iron comes in:
