I, the "User," warrant and represent that I am an employee of the employer, as identified above, a tenant ("Tenant") of the building located at 980 North Michigan Avenue, Chicago ("Building"). It is understood that, so long as Tenant is a lessee of the Building and I am an employee of Tenant, I may use the Fitness Center within the Building, subject to the Rules and hours of the Fitness Center, as all may be changed from time to time by posting within the Fitness Center.

I represent that I have either (a) been given permission by my physician to participate in exercise and fitness activity, or (b) decided to voluntarily engage in such activity and have voluntarily accepted all risks related thereto without the approval or advice of my physician. I represent that I am not aware of any medical or physical condition that would prevent me from using equipment or facilities which could involve a health risk to me. It is expressly understood and agreed that the landlord and its affiliated parties, including Chicago Title Land Trust Company as Successor Trustee to LaSalle National Association, not personally by as Trustee under Trust Agreement dated 9/14/78 and known as Trust #100049, Franklin Partners, LLC, Franklin Management, LLC, Sheffield Properties of IL, Inc., Sheffield Management Company, Inc., Blackfriars Corporation, and Consolidated Electrical Distributors, Inc., as such change from time to time without notice (collectively, "Landlord"), shall have no duty to determine if I am physically fit to begin and/or continue to engage in exercise activity and/or use the Fitness Center. Further, the Landlord does not recommend, and expressly disclaims, any recommended exercise programs and/or specific exercises, regardless of any instructions upon exercise equipment indicated by equipment manufacturers or others.

I have been advised and understand that use of equipment and facilities presents some risk of injury, especially to people who have known or unknown pre-existing injuries, illness or medical issues. I recognize that exercise may cause aggravation of some symptoms, feelings of tiredness, lightheadedness, increased energy, mood changes, and other effects. I understand that I should stop exercising immediately if I detect pain, dizziness or discomfort and seek medical attention.

I voluntarily assume all risks associated with my use of the Fitness Center and understand that Landlord is not responsible for theft, loss of personal property or injury including both injury and death. The Fitness Center is not supervised or staffed and any security personnel and/or devices are solely intended to protect the Landlord's property and are expressly neither to be relied upon by me for my personal safety nor the protection of my personal property.

I acknowledge and agree that the Landlord does not provide, employ and/or endorse physical trainers or similar personnel and any person or company representing such should be reported to the Landlord as soon as possible. If I choose to contract

with a trainer of my choosing ("User Trainer"), then, prior to the User Trainer entering the Fitness Center, the User Trainer must register with the Landlord and enter into a waiver, release, and indemnification agreement in such form and substance as required from time to time by Landlord in its sole and absolute discretion. The Landlord may suspend or terminate the access of a User Trainer without cause and/or notice.

In consideration for being permitted to use the Fitness Center, I hereby waive, release and discharge the Landlord (including but not limited to all entities described above) and all of their respective directors, officers, managers, shareholders, members, partners, employees, managing agents, and agents (each such person and entity individually, and all such persons, and entities collectively, referred to herein and the "Landlord Parties") from any and all claims and causes of action of any nature whatsoever which I have now or in the future against the Landlord Parties on account of or arising in connection with my use of the Fitness Center and/or occurring within the Fitness Center, which includes but is not limited to all exercise areas, exercise equipment, changing rooms, shower facilities, and related areas and/or the action or omission of any User Trainer. Except in the circumstance of willful or intentional acts, in the event of any liability of the Landlord Parties, despite application of my waiver and release of the Landlord Parties, such shall be limited to no greater than the sum of \$500. The parties expressly waive any and all consequential and punitive damages.

I further agree to indemnify and hold the Landlord Parties harmless from and against any and all loss, cost, damage and expense (including reasonable attorney's fees and costs) which the Landlord Parties may sustain or incur as a result of or in connection with my use of the Fitness Center.

I have read and fully understand the Rules for the Fitness Center, as such may be revised from time to time, and this Waiver and Release form, having had the opportunity to consult an attorney regarding my rights and the release of the Landlord Parties from liability and my waiver of claims against the Landlord Parties. I acknowledge that neither my employer, as a tenant under a lease, nor I have any contractual right to use the Fitness Center, and that Landlord would not provide access to such without my agreement to enter into this Waiver and Release and follow the Rules.

I understand that the Fitness Center may be closed from time to time or permanently without notice. The Landlord may suspend or terminate my use of the Fitness Center without cause and/or notice.

Together with the Rules, this agreement constitutes the entire agreement between me and the Landlord; there exist no verbal or other written agreements, promises, and/or inducements. If any provisions of this agreement are determined invalid or unenforceable, the subject provision shall be reformed to reflect, as nearly as possible, the original intentions of the parties as consistent with applicable law, and the remaining provisions of this agreement shall remain in full force and effect.

This agreement shall be subject and interpreted according to the laws of the State of Illinois. Should a dispute arise, at the election of the Landlord, such shall be subject to binding arbitration before the American Arbitration Association, with proceedings to be initiated and maintained in Chicago, Illinois, with the arbitration fee to be assessed against the substantially non-prevailing party.
