

Moving Procedures/Information

Furniture moves and deliveries must be coordinated with the Building Management Office at least 72 hours in advance. We will only schedule one move during a given time period and will schedule them on a first come first serve basis. All moves must be scheduled after normal business hours, after 5:00 pm Monday through Friday, and between 8am and 4pm on Saturday & Sunday. On weeknights, the freight elevator must be shared with the Cleaning Crew from approximately 5:30 pm through 1:00 am. All moves are subject to additional costs for a Security Officer to oversee the dock.

All moving vehicles must unload and load at the loading dock. Vehicles larger than 12 ½ feet high and 25 feet long will prevent the dock doors from closing. If a tenant anticipates that they will need a larger truck, a Security Officer will be scheduled to monitor the dock area at the tenants' cost.

All moving contractors must be **Union** employees and are required to use only the freight elevator. Any damage or remaining debris after a move will be the tenant responsibility and billed to them. The tenant is responsible for providing access to their office suite for their moving contractor.

Protection of the building carpets, walls and elevators is required and must be provided by the moving contractor. Tenants must instruct their moving contractor to avoid blocking any fire corridors, exit doors, elevators, hallways or the lobby by order of the Fire Marshall. Tenants must determine prior to a move if oversized furniture will fit on the freight elevator or if it must be top-loaded or under slung. The Building elevator company must supervise this type of work and operate the elevator. The tenant will be charged for this service. The dimensions of the freight elevator are:

Doors: 45 3/8' wide by 89" high
Cab: 59" deep by 69 ½" wide by 107" high

When moving into One Mag Mile your moving company must be **Union** and provide a **Certificate of Insurance** with coverage for General Liability, Worker's Compensation and Auto Liability.

For your convenience, the requirements for Certificate of Insurance listed below.

Once completed, the insurance information may be emailed to: aobrien@franklinpartners.net
