

TOUCH SCREEN DIRECTORY & ACCESS CARD INFORMATION

As an amenity, 980 North Michigan Avenue has a touch screen directory located at the security desk in the first floor lobby. This electronic directory provides the company name and individual names and titles within the company with a simple touch of the screen. Please complete the following form to list your company, and distinct individuals that you would like to have listed on the electronic directory.

*Please note that all individuals within your company that have a building access card will be automatically listed on the directory.

Please print all information.
