#### Offering general support for homeschooling families!

At Carrie Albert's Learning Solutions, LLC, we provide personalized learning experiences that align with Pennsylvania's state curriculum standards. Our programs cater to K-5 and 6th-8th grade students, with specialized lessons designed to enhance key academic skills.

#### Curriculum Standards We Focus On

We align our daily lessons with Pennsylvania State Standards to ensure a strong foundation for your child's education. Here's a glimpse of what we focus on for each grade level:

##### Grades K-5

- **Reading & Literacy:** Emphasis on phonics, comprehension, vocabulary, and writing.
- **Mathematics:** Building number sense, basic operations (addition, subtraction), and early geometry skills.
- **Science:** Exploration of life, physical, and earth sciences.
- **Social Studies:** Understanding communities, historical concepts, and basic geography.

##### 6th-8th Grade

- **Literature & Writing:** Advanced comprehension, writing techniques, and research skills.
- **Mathematics:** Focus on pre-algebra, geometry, and problem-solving.
- **Science:** Topics like earth science, biology, and introductory chemistry.
- **Social Studies:** A deeper understanding of history, geography, and current events.
