**Row 1** - Chain 24

(To make Bag Bigger, Just Add more chains.  
Be sure it is an even number)

**Row 2** - HDC in each chain (23 hdc)

- End Row 2: Chain 1 - Turn Work

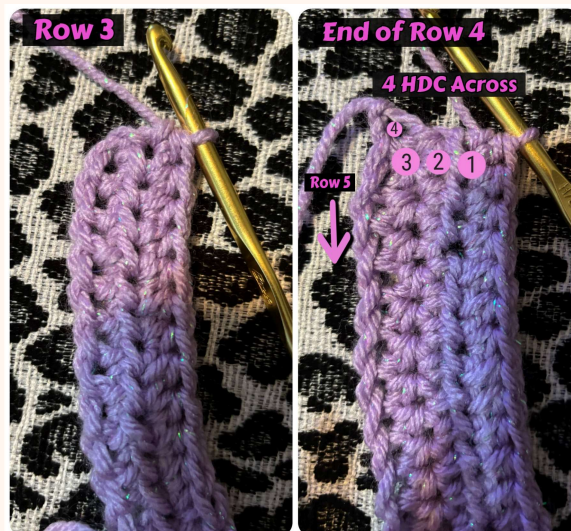

**Row 3** - HDC each stc

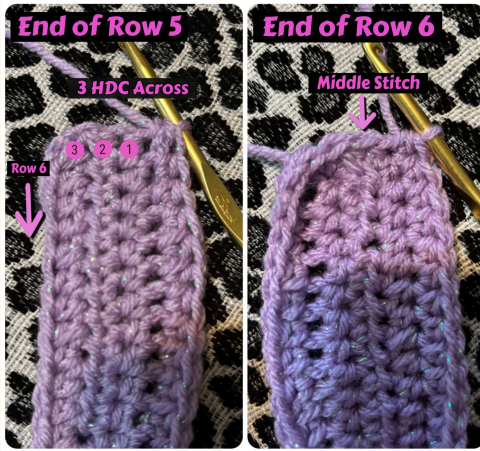

- End Row 3: Chain 1 - Turn Work

**Row 4** - HDC in each stc

- End of Row 4: 4 HDC across (4th stc in the open corner sltc space)
- Pull Corner Knot Tight

**Row 5** - HDC each stc (See arrow)

**End of Row 5** – 3 HDC across

**Row 6** – HDC in each stc (See arrow)

- End Row 6: Stop at stitch right before the middle stitch

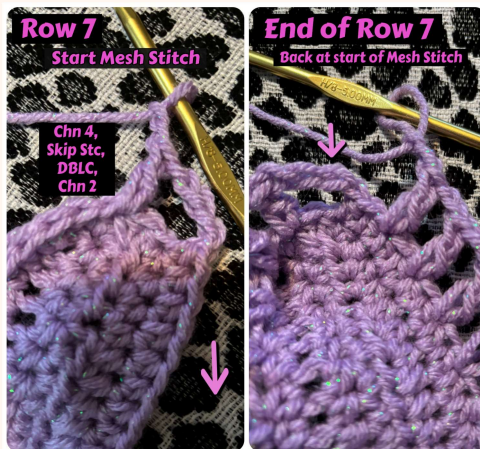

**Row 7** – Start Mesh Stitch

**Chain 4, Skip a Stc, DBLC, Chain 2**

- **(Skip Stc, DBLC, Chain 2)** – Repeat, until back at start of Mesh Stitch

**Row 8** – Back at start of Mesh Stitch

**(DBLC, Chain 2)** – into the open space of the first Mesh Stc. (See Arrow)

**Continue Pattern (DBLC, Chain 2) into every open space, around & around, in a circle** until the bag is the height that you desire.

To Finish, **Pick a Stitch on the side of the bag** near where you would add a strap. (On same side of the bag as the hanging string at the bottom.)

**Slip stitch – Chain 1 – Cut yarn**

The Body of the Bag is Complete

Adding Straps to the Bag is a separate pattern.
