INNER WHEEL PRAYER

Instill in us O'Lord the true meaning of Friendship

Never let us forget that we are all Thy children

Notwithstanding the differences in our cultures and creeds,

Endow us with a desire to serve our fellowmen,

Remembering that, we too, often need help.

Whenever or wherever the need for service arises,

Help us to be ready to serve.

Endeavoring to make our badge of Inner Wheel worthwhile

Ensuring that we have not

Lived in vain.

*A little background to how our Inner Wheel Prayer Originated:
Way back in 1970, Silla Ardeshir, a young member from India attended a meeting of a local club in Australia. At the beginning of the meeting, she heard the members recite a collect. She was impressed with that and felt why not one for her home club, Inner Wheel Club of Bombay. She brought back the collect with her and India being a diverse country, she made changes to suit the Country and presented it to her club. Thereafter, all the other clubs soon adopted this and thus the Inner Wheel Prayer was born to suit our Country.*
